A. Subject to Subsection G of this Section, not later than fifteen days before the anniversary date of issuance of a license pursuant to the provisions of this Chapter, a licensee may apply for renewal of the license by paying a renewal fee determined by the department, not to exceed the reasonable costs of regulation, and submitting to the department a renewal report pursuant to Subsection B of this Section.

B.(1) The renewal report required by Subsection A of this Section shall be submitted in a form and medium prescribed by the department.

D. If the department suspends or revokes a license pursuant to the provisions of this Chapter for noncompliance with Subsection A of this Section, the department may end the suspension or rescind the revocation and notify the licensee of the action if, subject to Subsection G of this Subsection, not later than twenty days after the license was suspended or revoked, the licensee files a renewal report and pays a renewal fee and pays any penalty assessed by the department.

E. The department shall give prompt notice to a licensee of the lifting of a suspension or rescission of a revocation after the licensee complies with Subsection D of this Section.

F. Suspension or revocation of a license pursuant to the provisions of this Section shall not invalidate a transfer or exchange of virtual currency for, or on behalf of, a resident made during the suspension or revocation and shall not insulate the licensee from liability pursuant to the provisions of this Chapter.

G. For good cause, the department may extend a period of time provided for in this Section.
