41 **pursuant to an agreement with a city, parish, or other local public school board.**

42 **(c) "Year-round" means for a full calendar year, excluding weekends**
43 **and holidays, or approximately 260 days a year.**

44 **(3) The city, parish, or other local public school board shall ensure that**
45 **the implementation of a mixed provider delivery model for prekindergarten**

instruction as described in this Subsection does not disrupt the stability of infant and toddler child care in their community and that the new seats created through the mixed provider delivery model are distributed equitably created among quality-rated child care providers.

(4) The city, parish, or other local school board shall work to ensure that:

(a) The parent of each child provided a seat through the mixed provider delivery model are allowed to choose the setting in which their child is enrolled, subject to the availability of seats in a particular setting.

(b) The costs charged for a seat in the mixed provider delivery model are offered:

(i) At no costs to an eligible child who is economically disadvantaged, as defined in rule by the State Board of Elementary and Secondary Education.

(ii) On a sliding scale, that is set in the agreement between the provider and the school district, to an eligible child who is not economically disadvantaged. The co-payment required of a parent, guardian, or caretaker shall not exceed the difference between the rate paid by the school district and the cost necessary for the eligible provider to offer the prekindergarten programming to each child.

(iii) In addition to the costs for a seat, each student may be charged additional fees for meals or before- and after-care.

(5) The city, parish, or other local school board shall work with community networks or other designated local networks to engage in outreach to the parents and legal guardians of each eligible child to make them aware of any available seats in their community with priority focus on areas of high numbers of individuals qualifying for the Child and Adult Care Food Program.

(6) Beginning in 2023-2024, each city, parish, or other local public school board shall annually provide a report to the state Department of Education on:

(a) The number of three- and four-year-old children served through each prekindergarten program, including the seats provided through the mixed provider delivery model, in the same manner that they report enrollment numbers for students in kindergarten.

(b) The distribution of seats among each school and quality rated child care provider.

(c) Input from at least the majority of providers in the Community Network, including how the distribution of seats has impacted the stability of infant and toddler care.

(7) Beginning in 2024-2025, the state Department of Education shall annually provide a report to the Senate and House Committees on Education on:

(a) The number of children served in prekindergarten programs, in total, by type, and by provider.

(b) The approximate number of three- and four-year-old children in the state and by school system who are not being served by a prekindergarten program.

(c) Any recommendations for increasing seats and improving the provision of prekindergarten instruction and early childhood care."
