Dept./Agy.: St. Tammany Parish Nonelected Taxing Authorities		Analyst: James Bryant
Subject: Procedures for millage rate increases in certain parishes.		

TAX/AD VALOREM EG NO IMPACT LF EX See Note Page 1 of 1
 Authorizes millage rate increases in certain parishes. (8/1/22)

Purpose of Bill: This bill changes population parameters so that current law will continue to apply only to St. Tammany Parish (i.e., current practices will continue). Current law applies to parishes with a population between 230,000 and 250,000. St. Tammany fit this population range according to the 2010 Census. However, St. Tammany's population increased according to the 2020 census and they no longer fit in this population range. When the Census population figures changed, Lafayette and Caddo Parishes fit the range in current law. The bill changes the population range to apply to parishes with a population between 245,000 and 265,000 according to the most recent federal decennial census (i.e., St. Tammany).
