

Regular Session, 2001

HOUSE BILL NO. 2012

BY REPRESENTATIVE DANIEL

STUDENT/LOANS-SCHOLARSHIP: Relative to TOPS, provides for a uniform information reporting system and for certain notifications to parents of public elementary and secondary school students

1 AN ACT

2 To enact R.S. 17:3048.3 and 3048.4, relative to the Tuition Opportunity  
3 Program for Students; to provide for the establishment and  
4 implementation of a uniform information reporting system; to provide  
5 for applicability; to provide relative to compliance with reporting  
6 system requirements by colleges and universities, including requiring  
7 compliance as a condition of eligibility to receive certain payments by  
8 the state; to require that the reporting system include certain  
9 components; to provide for certain notifications to parents and others  
10 about program availability; and to provide for related matters.

11 Be it enacted by the Legislature of Louisiana:

12 Section 1. R.S. 17:3048.3 and 3048.4 are hereby enacted to read as  
13 follows:

14 §3048.3. Program information reporting system; implementation;  
15 requirements; applicability; participation by eligible institutions  
16 and others

17 A.(1) The Board of Regents shall formulate, develop, establish,  
18 and implement a uniform Tuition Opportunity Program for Students

CODING: Words in ~~struck through~~ type are deletions from existing law; words underscored are additions.

1 information reporting system for the purposes of policy analysis and  
2 program evaluation and for providing accurate data and statistics to the  
3 legislature, the governor and appropriate executive branch agencies,  
4 and the public relative to the program's impact on the state and on  
5 students.

6 (2) In formulating and developing the information reporting  
7 system, the Board of Regents shall consult with and seek written  
8 recommendations from the Louisiana Student Financial Assistance  
9 Commission, each college or university eligible for participation in the  
10 Tuition Opportunity Program for Students, each of the public  
11 postsecondary education management boards, the Louisiana  
12 Association of Independent Colleges and Universities, legislators, and  
13 knowledgeable others as determined appropriate by the Board of  
14 Regents.

15 (3) It is the intention of the legislature that the reporting system  
16 provided by this Section and the requirements thereof shall be  
17 applicable to all Tuition Opportunity Program for Students applicants,  
18 all award recipients regardless of eligible college or university attended,  
19 and all such eligible colleges and universities. Effective for the 2002-  
20 2003 award year and thereafter, compliance with the requirements of  
21 the Tuition Opportunity Program for Students information reporting  
22 system shall be a condition for an eligible college or university to  
23 remain eligible to receive payments from the state on behalf of an  
24 award recipient. Compliance determinations shall be made annually by  
25 the Board of Regents.

1           B. The Tuition Opportunity Program for Students information  
2           reporting system shall include but not be limited to the following:

3           (1) A report prepared as of the end of the Fall semester and  
4           again as of the end of the Spring semester or equivalent periods of time  
5           during each academic year relative to the rate of retention of program  
6           awards by students as they progress from semester to semester or other  
7           equivalent periods of time as may be applicable once enrolled at an  
8           eligible college or university. The data shall be reported by institution  
9           attended, by the two digit classification of instructional program, and  
10          by program award category and shall include the percent of students  
11          losing program eligibility due to not earning the minimum number of  
12          credit hours, the percent of students losing program eligibility due to  
13          not having the required cumulative grade point average, and the percent  
14          of students losing program eligibility for failing to make steady  
15          academic progress.

16          (2) The persistence rates at colleges and universities of  
17          freshmen, sophomore, junior, and senior students receiving a program  
18          award reported by award category and by award year.

19          (3) The graduation rates or rates of completion of the chosen  
20          postsecondary education program if otherwise applicable for students  
21          receiving a program award, reported by award category and award year,  
22          including for those graduating with an academic degree at the  
23          baccalaureate level the rate for persons graduating within four years,  
24          within five years, and within six years, respectively.

25          (4) The mean length of time required for a student receiving a  
26          program award to graduate with an academic degree at the

1 baccalaureate level or to complete the chosen postsecondary education  
2 program if otherwise applicable with such information being reported  
3 by award category and by award year.

4 (5) An annual report on the number of applicants as well as the  
5 percent of high school graduates by high school and by parish who  
6 apply for a program award, by award category, and the percent of those  
7 students who subsequently enroll in a college or university.

8 (6) Statistical studies on the relationship between the courses  
9 taken and grades earned by a high school student and the student's  
10 score on the American College Test or the Scholastic Aptitude Test.

11 §3048.4. Notice to students and parents

12 The State Board of Elementary and Secondary Education shall  
13 mandate that the governing authority of every public school having a  
14 sixth grade adopt and implement a policy requiring that the parent or  
15 other person responsible for a sixth grade student's school attendance  
16 be given information at the start of the student's sixth grade school year  
17 on the availability of the Tuition Opportunity Program for Students.

18 The parent or other person responsible for the student's school  
19 attendance shall be required to return to the school a signed notice that  
20 the required information was received and reviewed by the parent or  
21 other responsible person and that expresses the intent of the parent or  
22 other responsible person as to whether or not the student will be  
23 pursuing the necessary program of studies for program eligibility. The  
24 State Board of Elementary and Secondary Education also shall mandate  
25 that the governing authority of every public school having a seventh or  
26 eighth grade adopt and implement a policy requiring that the parent or

1           other person responsible for a seventh grade or eighth grade student's  
2           school attendance be given information at the start of the student's  
3           seventh grade school year, at the start of the student's eighth grade  
4           school year, and at the student's ninth grade year on the availability of  
5           the Tuition Opportunity Program for Students. The information  
6           provided at the start of the student's ninth grade year shall include  
7           details of the eligibility requirements for all awards. The parent or  
8           other person responsible for the student's school attendance at the ninth  
9           grade level shall be required to return to the school a signed notice that  
10           the information was received and reviewed by the parent or other  
11           responsible person and the student and that expresses the intent of the  
12           parent or other responsible person as to whether or not the student will  
13           be pursuing the necessary program of students for program eligibility.

14           Section 2. This Act shall become effective upon signature by the  
15           governor or, if not signed by the governor, upon expiration of the time for bills  
16           to become law without signature by the governor, as provided in Article III,  
17           Section 18 of the Constitution of Louisiana. If vetoed by the governor and  
18           subsequently approved by the legislature, this Act shall become effective on  
19           the day following such approval.

HB No. 2012

**Abstract:** Relative to TOPS, provides for a uniform information reporting system and for certain notifications to parents of public elementary and secondary school students

Proposed law, relative to the Tuition Opportunity Program for Students (TOPS) requires the Board of Regents to formulate, develop, establish, and implement a uniform information system for the purposes of policy analysis and program evaluation and for providing accurate data and statistics to the legislature, the governor and appropriate executive branch agencies, and the public relative to the program's impact on the state and on students. Requires that the board consult with and seek written recommendations from the La. Student Financial Assistance Commission, each college or university eligible for participation in TOPS, each public postsecondary education management board, the La. Association of Independent Colleges and Universities, legislators, and knowledgeable others as determined by the board.

States legislative intent that the reporting system and its requirements shall be applicable to all TOPS applicants, all award recipients regardless of eligible college or university attended, and all such eligible colleges and universities. Specifies that effective for the 2002-2003 award year and thereafter, compliance with the information reporting system shall be a condition for an eligible college or university to remain eligible to receive payments from the state on behalf of an award recipient. Requires the Board of Regents to make compliance determinations annually.

Requires that the information reporting system include but not be limited to the following:

- (1) A report prepared as of the end of the Fall semester and again as of the end of the Spring semester (or equivalent periods of time) during each academic year relative to the rate of retention of program awards by students as they progress from semester to semester or other equivalent periods of time as may be applicable once enrolled at an eligible college or university. Provides that the data shall be reported by institution attended, by the two digit classification of instructional program, and by program award category and include the percent of students losing program eligibility due to not earning the minimum number of credit hours, the percent of students losing program eligibility due to not having the required cumulative grade point average, and the percent of students losing program eligibility for failing to make steady academic progress.
- (2) The persistence rates at colleges and universities of freshmen, sophomore, junior, and senior students receiving a program award reported by award category and by award year.
- (3) The graduation rates or rates of completion of the chosen postsecondary education program if otherwise applicable for students receiving a program award, reported by award category and award year, including for those graduating with an academic degree at the baccalaureate level the rate for persons graduating within four years, within five years, and within six years, respectively.
- (4) The mean length of time required for a student receiving a program award to graduate with an academic degree at the baccalaureate level or to complete the chosen postsecondary education program if

otherwise applicable with such information being reported by award category and by award year.

- (5) An annual report on the number of applicants as well as the percent of high school graduates by high school and by parish who apply for a program award, by award category, and the percent of those students who subsequently enroll in a college or university.
- (6) Statistical studies on the relationship between the courses taken and grades earned by a high school student and the student's score on the ACT or SAT.

Proposed law additionally requires that the State Board of Elementary and Secondary Education (BESE) mandate that the governing authority of every public school having a sixth grade adopt and implement a policy requiring that the parent or other person responsible for a sixth grade student's school attendance be given information at the start of the student's sixth grade school year on the availability of TOPS. Provides that the parent or other person responsible for the student's school attendance shall be required to return to the school a signed notice that the information was received and reviewed by the parent or other responsible person and expressing the intent of the parent or other responsible person as to whether or not the student will be pursuing the necessary program of studies for program eligibility.

Requires that BESE also mandate that the governing authority of every public school having a seventh or eighth grade adopt and implement a policy requiring that the parent or other person responsible for a seventh grade or eighth grade student's school attendance be given information at the start of the student's seventh grade school year, at the start of the student's eighth grade school year, and at the start of the student's ninth grade school year on the availability of TOPS. Specifies that the information provided at the start of the student's ninth grade year shall include details of the eligibility requirements for all awards. Provides that the parent or other person responsible for the student's school attendance at the ninth grade level shall be required to return to the school a signed notice that the information was received and reviewed by the parent or other responsible person and the student and that expresses the intent of the parent or other responsible person as to whether or not the student will be pursuing the necessary program of students for program eligibility.

Effective upon signature of governor or lapse of time for gubernatorial action.
