Holiday: Designates Dr. Martin Luther King's birthday as a mandatory state holiday

Current law R.S. 1:55 (B)(1)(a) provides that insofar far as may be practicable in the administration of the government, no employee shall work on New Year's Day, Mardi Gras Day, Good Friday, Independence Day, Labor Day, Veterans' Day, Thanksgiving Day, Christmas Day, and Inauguration Day once in every four years in the city of Baton Rouge, or General Election Day every two years. This legislation proposes to include Dr. Martin Luther King's birthday as a state holiday. This legislation also proposes to revise R.S. 1:55 (B)(2), to remove Dr. Martin Luther King's birthday as one of the days in which the governor is authorized to proclaim as a state holiday.

In Louisiana, Dr. Martin Luther King's birthday became a legal day of observance in 1986, with a provision that the governor may proclaim each year, the day as a legal holiday. According to State Civil Service, with the exception of 1987 this holiday has been observed every year. Therefore, this office does not anticipate any additional cost associated with passage of this legislation.
