

**SENATE COMMITTEE AMENDMENTS**

Amendments proposed by Senate Committee on Education to Reengrossed House Bill No. 2012 by Representative Daniel

---

1     AMENDMENT NO. 1

2     On page 4, line 10, after "Test." insert "Relative to public high schools, such  
3     statistical studies shall use student course and grade data that is otherwise  
4     available from the schools and such studies shall be conducted at no additional  
5     cost to the governing authority of any public high school."

6     AMENDMENT NO. 2

7     On page 4, line 17, change "a written response" to "approval"

8     AMENDMENT NO. 3

9     On page 4, delete lines 21 through 26, and on page 5 delete lines 1 through 21  
10    and in lieu thereof insert the following:

11           "require that the governing authority of every public secondary  
12           school include as a component of a student's Five Year  
13           Educational Plan as required by R.S. 17:183.2 comprehensive  
14           information relative to the Tuition Opportunity Program for  
15           Students and program eligibility requirements for each of the  
16           awards. Additionally, the parent or other person responsible for  
17           the student's school attendance at the ninth grade level shall be  
18           required to return to the school at the start of the student's ninth  
19           grade year a signed notice that the program information and  
20           eligibility requirements have been reviewed by the parent or  
21           other responsible person and by the student and that, for  
22           informational and data collection purposes only, expresses the  
23           intent of the parent or other responsible person as to whether or  
24           not the student will be pursuing the necessary program of  
25           studies to be eligible for a Tuition Opportunity Program for  
26           Students award."
