2 E. All information, documents, and copies thereof obtained by or
3 disclosed to the commissioner, the Department of Insurance, or its designated
4 representative in the course of an examination of a proposed plan of
5 reorganization shall be treated in accordance with R.S. 22:706.

6 §237.5. Consideration and dividend protections

7 A. In effecting a conversion of a reorganizing mutual, each eligible
8 member shall be entitled to consideration in an amount equal to his or its
9 equitable share of the value of the reorganizing mutual as provided for in the
10 plan of reorganization.

11 (1) The consideration to be distributed to eligible members may consist
12 of cash, stock of the reorganized company or its parent corporation,
13 subscription rights, or if appropriate for tax or other reasons, additional life
14 insurance and annuity benefits, any combination of these forms of
15 consideration, or other forms of consideration acceptable to the commissioner.
16 The form or forms of consideration to be distributed to an eligible member may
17 differ according to the class or category of policy owned by the eligible member.
18 The choice of the form or forms of consideration to be distributed to eligible
19 members in accordance with the class or category of policy owned by such
20 members may take into account such factors as the type of policy with respect
21 to which the consideration is being distributed and the amount being distributed
22 with respect to such policies, the country of residence, or tax status of the
23 member or other appropriate factors; however, if the consideration to be
24 distributed to an eligible member will be in a form other than common stock of
25 a publicly traded company, the plan of reorganization shall include provisions
26 for determining, in a reasonable manner, the value of the consideration by
27 means of reference to the per share public market value of the registered
28 common stock of the reorganized company or its parent corporation or another
29 method acceptable to the commissioner, which provisions may, but are not

1 required to, include an appraisal or valuation.

2 (2) The reorganizing mutual shall obtain an opinion addressed to the
3 board of directors of the reorganizing mutual from a qualified investment
4 banker that the provision of consideration upon the extinguishment of the
5 membership interests pursuant to the plan of reorganization is fair to the
6 eligible members, as a group, from a financial point of view.

7 B. The method of allocating consideration among eligible members shall
8 be fair and equitable.

9 (1) The method shall provide for each eligible member to receive: (a) a
10 fixed component of consideration or a variable component of consideration, or
11 both; or (b) any other component of consideration acceptable to the
12 commissioner. Components may reflect, based upon fair and equitable
13 formulas, methods, and assumptions, factors such as (x) the ratio which the net
14 premiums (gross premiums less return premiums and dividends paid) such
15 eligible member has properly and timely paid to the insurer as a policyholder
16 on insurance policies in effect during the three years immediately preceding the
17 adoption date bears to the total net premiums received by the insurer from all
18 eligible members as policyholders; or (y) estimated proportionate historical and
19 prospective contributions to surplus of classes or groupings of policies and
20 contracts to the aggregate component of consideration being distributed to
21 eligible members, with each eligible member receiving a distribution in
22 accordance with the type of policy owned by the eligible member; or (z) other
23 factors the commissioner may approve.

24 (2) The reorganizing mutual shall obtain an opinion addressed to the
25 board of directors of the reorganizing mutual from an actuary who is a member
26 of the American Academy of Actuaries that the methodology and underlying
27 assumptions for allocation of consideration among eligible members are
28 reasonable and appropriate and the resulting allocation is fair and equitable.

29 C. At the option of the reorganizing mutual, any common shares of the

1 reorganized insurer or its parent corporation included in the eligible members'
2 consideration may be placed on the effective date of the reorganization in a
3 trust or other entity existing for the exclusive benefit of eligible members and
4 established for the purpose of effecting the reorganization, such consideration
5 or the proceeds of the sale of such consideration to be distributed to such
6 eligible members by means of a process specified in the plan of reorganization
7 and not to last more than ten years after the effective date of the reorganization
8 or until notification of the death of the eligible member or the death of the
9 insured, whichever occurs first.

10 D. The plan of reorganization shall provide for the reasonable dividend
11 expectations, if any, of policyholders of any reorganized insurer through the
12 establishment, or in the case of a reorganizing mutual insurance holding
13 company the continuation, of dividend protections, which may consist of a
14 closed block or any other method acceptable to the commissioner. The sole
15 purpose of any dividend protections shall be to provide for reasonable
16 policyholder dividend expectations, if any.

17 (1) Any dividend protection provision may be limited to participating
18 individual policies in force or deemed to be in force by the plan of
19 reorganization on the effective date of the reorganization, or, in the case of a
20 reorganized insurer in a mutual insurance holding company system, on the
21 effective date of its reorganization as such, for which the insurer has or had an
22 experience-based dividend scale due, paid or accrued by action of the board of
23 directors of the insurer in the year in which the plan of reorganization is or was
24 adopted; however, other categories of policies and benefits not described in this
25 Paragraph may be included or excluded, subject to the approval of the
26 commissioner.

27 (2) If dividend protections have been provided to policyholders of a
28 reorganized insurer as part of a previous plan of reorganization, such dividend
29 protections may be continued in effect without change in satisfaction of the

1 requirements of this Section.

2 §237.6. Approval by commissioner after public hearing

3 A. The commissioner shall hold a public hearing upon notice as set forth
4 in this Section to hear evidence upon whether the plan of reorganization: (1)
5 properly protects the interests of the policyholders as such and as members, (2)
6 serves the best interests of policyholders and members, and (3) is fair and
7 equitable to policyholders and members. The provisions of Subpart G of Part
8 III of Chapter 2 of this Title, R.S. 22:691 et seq., shall not be applicable to any
9 hearing held under this Subpart, and any such hearing shall be governed by the
10 procedures set forth in the Subpart.

11 B.(1) Within thirty days after the closing of the administrative record
12 after the public hearing as provided in this Section, the commissioner shall issue
13 a final order or decision approving the plan if satisfied that each of the following
14 conditions are met:

15 (a) The interests of the policyholders as such and as members are
16 properly protected.

17 (b) The plan of reorganization serves the best interests of policyholders
18 and members.

19 (c) The plan of reorganization is fair and equitable to policyholders and
20 members.

21 (2) Any such final decision or order by the commissioner shall be subject
22 to any modifications of the plan of reorganization the commissioner finds
23 necessary for the protection of the policyholders and members.

24 C. Subject to the review and appeal process under Subsection E of this
25 Section, the commissioner's public hearing shall be the exclusive hearing with
26 respect to the plan of reorganization and shall be held pursuant to the
27 provisions of Chapter 12 of this Title, R.S. 22:2191 et seq., except as otherwise
28 provided in this Section, and within ninety days after the plan of reorganization
29 has been filed with the commissioner. Not less than thirty days notice of such

1 public hearing shall be provided by the reorganizing mutual to qualified voters
2 and to such additional persons and in such manner as may be specified by the
3 commissioner.

4 D. The commissioner may retain at the reorganizing mutual's expense
5 such attorneys, actuaries, accountants, and other experts as may be reasonably
6 necessary to assist the commissioner in his examination of a proposed
7 conversion, including any part of such examination that may occur, at the
8 request of a reorganizing mutual, prior to a plan of reorganization having been
9 filed with the commissioner pursuant to R.S. 22:236.2. Such experts shall
10 prepare a projection of the amount of time and expenses necessary to complete
11 the examination, and all work of these experts is subject to review. If the
12 projected amount of time and expenses required to complete the examination
13 appear excessive, the reorganizing mutual may petition the commissioner for
14 appropriate relief, and the commissioner's decision shall be final.

15 E. Except as otherwise provided in this Section, the procedures and
16 requirements for the order and any appeal thereof shall be as set forth in
17 Chapter 12 of this Title and, to the extent not specified in this Subpart, as set
18 forth in Chapter 13 of Title 49 of the Louisiana Revised Statutes of 1950.

19 (1) The district court reviewing an order of the commissioner shall
20 consider only the certified administrative record and the issues raised before the
21 commissioner. The district court reviewing an order of the commissioner shall
22 not modify or set aside the order unless the court finds: (a) error to the
23 prejudice of the appellant's substantial rights arising from the commissioner's
24 application of the law so grossly as necessarily to imply bad faith; (b) the
25 commissioner's order or decision was procured by fraud; (c) the commissioner
26 acted outside of the statutory authority of the Department of Insurance; or (d)
27 the commissioner's action was arbitrary and capricious. Any appeal of the
28 district court's review of the commissioner's order shall be taken within thirty
29 days of the judgment of the district court; if no appeal is taken, the right to have

1 an appellate court review or restrain action under the commissioner's order or
2 decision shall be preempted and shall forever expire. Collateral attacks on an
3 order of the commissioner are impermissible and shall be dismissed by the
4 reviewing court.

5 (2) In any action challenging the validity of or arising out of any action
6 taken or proposed to be taken under this Subpart, the reorganizing mutual or
7 reorganized company shall be entitled at any stage of the proceedings before
8 final judgment to petition the court to require the plaintiff or plaintiffs to give
9 security for the reasonable costs, including attorney fees, which may be incurred
10 by the reorganizing mutual or reorganized company, to which security the
11 reorganizing mutual or reorganized company shall have recourse in such
12 amount as the court having jurisdiction of such action shall determine upon
13 termination of such action. The amount of security may thereafter from time
14 to time be increased or decreased in the discretion of the court having
15 jurisdiction of such action upon a showing that the security provided has or may
16 become inadequate or excessive. If the court renders judgment in favor of the
17 reorganizing mutual or reorganized company, the court may in its discretion
18 award attorney fees and costs to such prevailing party.

19 F. The provisions of this Section shall apply to all actions challenging the
20 validity of or arising out of any action taken or proposed to be taken under this
21 Subpart and R.S. 22:71 and 72.

22 §237.7. Approval by qualified voters

23 A. The plan of reorganization shall be approved at a meeting convened
24 for that purpose by a vote of not less than two-thirds of the qualified voters of
25 the reorganizing mutual entitled to vote on matters and present or represented
26 by special ballot or special proxy.

27 B. The meeting of qualified voters to consider the plan of reorganization
28 shall occur after the public hearing before the commissioner, and the closing of
29 the administrative record after the public hearing shall not occur until such

1 time as it includes certification by the reorganizing mutual to the commissioner
2 of the vote on the plan of reorganization by the qualified voters of the
3 reorganizing mutual.

4 C. All qualified voters shall be given notice of their opportunity to vote
5 on the plan of reorganization, which notice shall include a copy of the plan of
6 reorganization or a summary thereof and which shall be in a form that the
7 commissioner has determined is adequate and may be provided to qualified
8 voters. The notice may be combined with notice of the public hearing. The
9 notice shall be mailed, or provided by some other method or methods as may
10 be approved by the commissioner, not less than thirty days before the date of
11 the meeting of qualified voters to vote on the plan of reorganization. If the
12 reorganizing mutual complies substantially and in good faith with the notice
13 requirements of this Section, the failure of any person to actually receive any
14 required notice will not impair the validity of any action taken under this
15 Subpart.

16 D. A quorum for the meeting of qualified voters to consider the plan of
17 reorganization shall consist of the qualified voters present or represented by
18 special ballot or special proxy.

19 E. Voting, ballot, and proxy submission may take place electronically or
20 telephonically consistent with the requirements of the Louisiana Uniform
21 Electronic Transactions Act, R.S. 9:2601 et seq.

22 §237.8. Limitations on acquisition of beneficial ownership

23 A. Except as otherwise specifically provided in the plan of
24 reorganization, prior to and for a period of five years following the effective
25 date of the reorganization, no person or persons acting in concert, other than
26 the reorganized company or any employee benefit plans or trusts sponsored by
27 the reorganized company or its corporate affiliates, shall directly or indirectly
28 offer to acquire or acquire in any manner the beneficial ownership of five
29 percent or more of any class of a voting security of the reorganized company or

1 any person that owns or controls a majority or all of the voting securities of the
2 reorganized company without the prior approval by the commissioner of an
3 application for acquisition filed by that person with the commissioner.

4 B. The commissioner shall not approve an application for acquisition
5 unless he finds each of the following:

6 (1) The acquisition would not frustrate the plan of reorganization as
7 approved by the qualified voters and the commissioner.

8 (2) The board of directors of the reorganized company or its parent
9 corporation, as applicable, has approved the acquisition, or extraordinary
10 circumstances not contemplated in the plan of reorganization have arisen that
11 would warrant their approval of the acquisition.

12 (3) The acquisition would be in the best interest of the reorganized
13 company and policyholders of the reorganized insurer or insurers. In
14 determining whether an acquisition would be in the best interest of the
15 reorganized company and policyholders of the reorganized insurer or insurers,
16 the commissioner may consider such factors as he deems relevant, which may
17 but are not required to include any or all of the following: (a) the possible
18 effects on shareholders, employers, suppliers, creditors, and customers of the
19 reorganized company and its affiliates; (b) possible effects on the economy of
20 the communities in which the reorganized company is located, and on that of
21 this state; and (c) company and policyholders of the reorganized insurer or
22 insurers, including but not limited to the possibility that those interests may be
23 best served by the continued independence of the reorganized company.

24 C. No security that is the subject of any agreement or arrangement
25 regarding acquisition or that is acquired or to be acquired in contravention of
26 this Section or of an order of the commissioner may be voted at any
27 shareholders' meeting, and any action of shareholders requiring the affirmative
28 vote of a percentage of shares may be taken as though the securities were not
29 issued and outstanding; however, no action taken at a meeting shall be

1 invalidated by the voting of those securities unless the action would materially
2 affect control of the reorganized insurer or a person that owns or controls a
3 majority or all of the voting securities of the reorganized insurer or unless the
4 courts of this state have so ordered.

5 §237.9. Limitations on compensation of directors, officers, agents, and
6 employees

7 Except as set forth in the plan of reorganization approved by the
8 qualified voters and the commissioner or in a stock-based compensation
9 program or arrangement using options or other securities previously registered
10 with the commissioner pursuant to R.S. 22:88 or any successor statute, no
11 director, officer, agent, or employee of the reorganizing mutual shall receive any
12 fee, commission, or other valuable consideration, other than his usual regular
13 salary and compensation, that is contingent upon the plan of reorganization
14 becoming approved or effective or is based upon aiding, promoting, or assisting
15 in the approval or effectuation of the plan of reorganization. This Section shall
16 not prohibit compensation programs or arrangements including programs and
17 arrangements involving the use of the stock of the reorganized company or its
18 parent corporation, which are to become effective simultaneously with the plan
19 of reorganization or thereafter, provided such programs and arrangements are
20 contained in the plan of reorganization approved by the qualified voters and the
21 commissioner or in a program or arrangement using options or other securities
22 previously registered with the commissioner pursuant to R.S. 22:88 or any
23 successor statute. This Section shall not be deemed to prohibit such a program
24 or arrangement from being adopted after the effective date of a reorganization.

25 §237.10. Filing of certificate of compliance; effective date of reorganization

26 A. On or prior to the effective date of the reorganization, the
27 reorganizing mutual shall file with the commissioner a certificate stating that:

28 (1) All of the conditions set forth in the plan of reorganization, including
29 a final order by the commissioner granting permission to reorganize in

1 accordance with the plan of reorganization pursuant to R.S. 22:237.6 and
2 approval by qualified voters pursuant to R.S. 22:237.7, have been satisfied.

3 (2) The board of directors of the reorganizing mutual has not abandoned
4 the plan of reorganization.

5 B. Notwithstanding the provisions of R.S. 12:23, the articles of
6 incorporation of the reorganizing mutual, or multiple originals thereof, after
7 having been submitted to and approved by the commissioner, shall be filed with
8 the office of the secretary of state and recorded in the office of the recorder of
9 mortgages of the parish in which the registered office of the reorganizing
10 mutual is situated. Two certified copies of the articles of incorporation, bearing
11 the certificate of the proper recorder of mortgages, showing the date and hour
12 when the articles were filed, shall be delivered to the commissioner and one of
13 said copies recorded in his office; and when all taxes, fees, and charges have
14 been paid as required by law, the commissioner shall certify the date and hour
15 when the corporate existence of the reorganized company began.

16 C. The reorganization shall be effective upon the date and hour certified
17 by the commissioner, which shall be the later of: (1) the date and hour when the
18 articles of incorporation were filed for record in the office of the proper
19 recorder of mortgages; or (2) such other date and time specified in the articles
20 of incorporation as the date and hour when the reorganization shall be effective,
21 which shall not be later than the tenth day after the date the articles of
22 incorporation are recorded.

23 §237.11. Effect of reorganization

24 A. With respect to the conversion of a mutual insurer, upon the effective
25 date, the mutual insurer shall immediately become a stock insurer, all
26 membership interests shall be extinguished, and the reorganized insurer or its
27 parent corporation will act in good faith to convey consideration to eligible
28 members pursuant to the plan of reorganization. The reorganized insurer shall
29 be a continuation of the mutual insurer, and the reorganization in no way shall

1 annul, modify, or change any of the mutual insurer's existing suits, rights,
2 contracts, or liabilities, except as provided in the plan of reorganization. After
3 reorganization, the reorganized insurer shall exercise all the rights and powers
4 and perform all the duties conferred or imposed by law upon insurers writing
5 the classes of insurance written by it, and shall be vested in all the rights,
6 franchises, and interests of the mutual insurer in and to every species of
7 property without any deed or transfer, and the reorganized insurer shall
8 succeed to all the obligations and liabilities of the mutual insurer, and retain all
9 rights and contracts existing prior to conversion, except as provided in the plan
10 of reorganization.

11 B. With respect to the conversion of a mutual insurance holding

DIGEST

Proposed law creates a process by which a domestic mutual non-life insurers and mutual insurance holding companies may reorganize into a stock insurance company that may be or become a subsidiary of a parent corporation or a stock insurance holding company.

Proposed law requires that a reorganizing mutual non-life insurers and mutual insurance holding companies submit a plan of reorganization to the commissioner of insurance that must include the following:

- (1) A statement of benefits and risks.
- (2) A statement detailing the protection of immediate and long-term interests of policyholders.
- (3) Copies of the articles of incorporation.
- (4) Information as to the financial condition of any reorganized insurer.
- (5) A description of any plans for the initial sale of stock.

Proposed law mandates that the plan of reorganization be adopted by at least two-thirds of the members of the board of directors or the reorganizing mutual non-life insurer.

Proposed law details how each eligible member of the reorganizing mutual non-life insurer is to be awarded consideration in the form of cash, stock, or other forms of consideration acceptable to the commissioner. Provides for an opinion addressed to the board of directors from a qualified investment banker that the consideration is fair from a financial point of view.

Proposed law provides that any common shares of the reorganized insurer or its parent corporation be placed in a trust or other entity existing on the effective date of the reorganization for the exclusive benefit of eligible members for no more than ten years.

Proposed law requires that the plan of reorganization provide for the reasonable dividend expectations, if any, and protections of the policyholders. Provides that any dividend protections provision may be limited to participating in individual non-life insurance policies and participating annuity contracts in force or deemed to be in force on the effective date of the reorganization.

Proposed law mandates that the commissioner of insurance hold a public hearing to hear evidence on whether the plan of reorganization properly protects the interests of the policyholders, serves the best interests of policyholders and members, and is fair and equitable to policyholders. Provides that within 30 days of the public hearing, the commissioner shall issue a final order or decision approving the plan of reorganization subject to any modifications the commissioner deems necessary.

Proposed law makes the commissioner's public hearing the exclusive hearing with respect to the plan of reorganization and must be held within 90 days after the plan of reorganization has been filed. Provides that the commissioner may retain, at the expense of the reorganizing insurer, experts to assist in the conversion overview. Requires such experts to

prepare a projection of the amount of time and expense necessary to complete the examination giving the mutual insurer the option to petition the commissioner for appropriate relief.

Proposed law limits the district court review of any order of the commissioner to the certified administrative record and the issues raised before the commissioner. The district court shall not modify or set aside the order unless the court finds any of the following:

- (1) Gross error to the prejudice of the appellant's substantial rights as necessarily to imply bad faith.
- (2) The commissioner's order or decisions was procured by fraud.
- (3) The commissioner acted outside the statutory authority of the Department of Insurance.
- (4) The commissioner's actions were arbitrary and capricious.

Requires that an appeal of a district court ruling occur within 30 days of the judgement.

Proposed law entitles the reorganizing mutual insurer to petition the court to require the plaintiff to give security for the reasonable costs which may be incurred by the reorganizing mutual insurer. Allows the amount of the security to be increased or decreased at the discretion of the court having jurisdiction. Provides for the awarding of attorney fees and costs to the prevailing reorganizing mutual insurer or reorganized company.

Proposed law requires that the plan of reorganization be approved by a vote of not less than two-thirds of the qualified voters of the reorganizing mutual insurer. Provides that such vote shall occur at a meeting to be held after the public hearing before the commissioner. Provides that all qualified voters shall be given notice of their opportunity to vote on the plan of reorganization and notice of the public hearing not less than 30 days before the date of the meeting. Provides for electronic voting, ballot and proxy submissions.

Proposed law prohibits anyone other than the reorganized company or any employee benefit plan or trust sponsored by the reorganized company from, directly or indirectly, offering to acquire the beneficial ownership of 5 percent or more of any class of a voting security of the reorganized company for a period of five years following the effective date of the reorganization without the prior approval of the commissioner.

Proposed law stipulates that the commissioner shall not approve an application for acquisition unless he finds each of the following:

- (1) The acquisition would not frustrate the plan of reorganization as approved by the qualified voters and the commissioner.
- (2) The board of directors of the reorganized company has approved the acquisition.
- (3) The acquisition would be in the best interest of the reorganized company and policyholders of the reorganized insurer.

Authorizes the commissioner to consider the possible effects on the new corporation, the economy of the state and communities in which the reorganized company is located, as well as long-term and short-term interests of the reorganized company.

Proposed law prohibits any security that is the subject of any agreement or arrangement regarding acquisition of an order of the commissioner to be voted on at any shareholder's meeting. Provides that no action taken at a meeting shall be invalidated by the voting of those securities unless the action would materially effect control of the reorganized insurer.

Proposed law prohibits compensating any director, officer, agent, or employee of the reorganized mutual insurer other than the usual regular salary and compensation. Permits compensation programs or arrangements involving the use of stock of the reorganized company as long as they are included in the plan of reorganization and approved by the qualified voters and the commissioner.

Proposed law requires the reorganizing mutual insurer to file with the commissioner a certificate of compliance and articles of incorporation. Requires that, once approved, the articles of incorporation be filed with the secretary of state and recorded in the office of the recorder of mortgages of the parish in which the reorganized mutual insurer is situated. Provides that the reorganization shall be effective upon the date and hour certified by the commissioner.

Proposed law requires that upon the effective date, the reorganized mutual insurer shall become a stock insurer and must convey consideration to all eligible members pursuant to the plan of reorganization. Provides that the reorganized insurer shall be a continuation of the mutual insurer and shall exercise all rights and powers conferred by law upon insurers writing the classes of insurance and retain all rights and contracts existing prior to conversion.

Proposed law provides that with respect to the conversion of a mutual insurance holding company, the membership interests of the members shall be extinguished and the reorganized company must act in good faith to convey consideration to the eligible members. Provides that each reorganized insurer within the mutual insurance holding company system will continue its corporate existence as a stock insurer without change to any of the existing insurer's rights, suits, and contracts.

Proposed law permits abandonment or amendment of the plan of reorganization upon not less than two-thirds of its board of directors and prior to the effective date. Provides that no amendment made after the public hearing shall change the plan of reorganization in a manner in which the commissioner determines to be materially disadvantageous to policyholders or members unless another public hearing is held.

Proposed law requires directors and officers of the reorganizing mutual insurer to serve as the directors and officers of the reorganized company until new directors and officers are duly elected.

Effective August 15, 2009.
