HB No. 687

Abstract: Prohibits the practice of dentistry at elementary and secondary schools.

Proposed law prohibits the practice of dentistry in the buildings, improvements, grounds, or any other construction of elementary or secondary schools.

Proposed law provides that the prohibition does not extend to the application of sealants at elementary and secondary schools provided through programs administered by the L.S.U. System and the University of La. System, to dental screenings, cleanings, radiographs, fluoride treatments at elementary and secondary schools when such services are performed at no charge to the patient, patient's parent, guardian, or any third-party payor, or to dental treatments provided within any federally qualified health center.
