EXPENDITURE EXPLANATION

There is no anticipated direct material effect on governmental expenditures as a result of this measure.

REVENUE EXPLANATION

There is no anticipated direct material effect on governmental revenues as a result of this measure. According to the Department of Insurance (DOI), for the past 5 years every security filing made has been required to pay the maximum registration fee of \$200 pursuant to R.S. 22:821(B)(6). This bill would delete the minimum securities registration fee of \$25.
