DIGEST

Martiny (SB 273)

Present law provides for qualifications of qualified truck stop facilities.

Proposed law provides that notwithstanding any provision of law to the contrary, no license shall be issued for any truck stop facility unless previously applied for or licensed as of January 1, 2010, located, at the time application is made for a license to operate video draw poker devices, within 2,500 feet of any designated residential district unless the applicant for license has applied prior to January 1, 2010, with the local governing authority of the parish where the truck stop is located for a certificate of compliance with applicable zoning ordinances and building codes and a statement of approval for the operation of video draw poker devices at a truck stop facility as required by law or has applied with the appropriate authority for a building permit prior to January 1, 2010.

Proposed law further provides if a parish or municipality does not have a zoning ordinance which designates certain property within their jurisdiction as residential districts, the governing authority of the parish or municipality shall have the authority to designate to certain areas of their jurisdiction as residential districts for the purpose of proposed law.

Effective August 15, 2009.
