HB No. 500

**Abstract:** Removes the requirement of a distribution of a certain amount of millage revenues to the Atchafalaya Basin Levee District. Stipulates that all land in the possession of the Atchafalaya Basin Levee District be reverted back to Terrebonne Levee and Conservation District since the Atchafalaya Basin Levee District no longer will provide mainline levee protection for Terrebonne Parish.

Present law provides that the Terrebonne Levee and Conservation District shall not be exempt from taxation.

Proposed law retains present law but stipulates that all land in the possession of the Atchafalaya Basin Levee District in Terrebonne Parish for the purposes of ownership and maintenance and operation of the Atchafalaya Basin Levee District be reverted back to the Terrebonne Levee and Conservation District.

Present law requires the Terrebonne Levee and Conservation District to remit to the Atchafalaya Basin Levee District 10% of the ad valorem taxes collected in the Terrebonne Levee and Conservation District.

Proposed law repeals present law.
