SR No. 70

Present Senate Rule, relative to committee jurisdiction over the comprehensive state capital budget, provides that the Senate Revenue and Fiscal Affairs Committee has jurisdiction over the bond portion while the Senate Finance Committee has jurisdiction over the cash portion.

Proposed Senate Rule would remove the jurisdiction of the Finance Committee and provide that the Senate Revenue and Fiscal Affairs Committee has jurisdiction over the entire comprehensive state capital budget.

(Amends Senate Rule No. 13.4(5)(a) and (15)(b))
