 15 presumed thereafter that every legal requirement has been complied with, and no
 16 court shall have authority to inquire into such matters after the lapse of said thirty

 3 district whenever the board finds any such actions to be in furtherance of the
 4 purposes for which the district was organized.

5 (4) As security for the payment of the principal of and interest on any bonds,
 6 notes, or other obligations of the district, and any agreements made in connection

 9 receipts therefrom or from any other source.

10 (5)(a) To enter into any cooperative financing of an economic development
 11 project between or among the district and the state, any of its local governmental

 23 syndicates not prohibited by the Constitution of Louisiana. Regardless of the method
 24 of financing, the district shall attempt to obtain the most favorable security available
 25 in order to protect and ensure recovery of sums loaned or paid pursuant to such
 26 financing.

27 (c) "Cooperative endeavor" means any form of economic development
 28 assistance between or among the district and the state, any of its local governmental
 29 subdivisions, political corporations or public benefit corporations, the United States
 30 or its agencies, or any public or private association, corporation, or individual. The

3 development activity.

4 §130.795. Fees and ad valorem tax; borrowing money

5 A. The district may levy annually an ad valorem tax not to exceed ten mills

22 (c) The terms and rates shall be compatible with loans offered by local
23 lending institutions, and the guarantee shall never exceed forty percent of the cost
24 of the total project. In addition, the district shall attempt to obtain the most favorable
25 security available under the circumstances to protect and ensure the recovery of its
26 commitment under the guarantee.

27 (d) Loan guarantees shall be evaluated for their economic impact in terms
28 of the number and types of jobs created or saved, the wage and income levels of the
29 positions, the likelihood of placement of these positions with persons from specific

1 groups, such as the long-term unemployed, low income, women, or minorities, and
2 the tax dollars generated.

3 (e) Loan guarantees shall be made to leverage other sources of private and
4 public capital to attain the greatest economic impact possible with the limited funds
5 available.

6 (f) Loan guarantees shall be targeted to export industries, manufacturing
7 firms, and wholesale distribution and service firms.

8 (g) No project shall be considered unless the project will be constructed and
9 maintained by persons at least eighty percent of whom are residents of LaSalle

12 not reasonably possible to do so without substantial added expense, substantial
13 inconvenience, or substantial sacrifice in operational efficiency.

14 (h) The lending or underwriting principals shall have such demonstrated
