

New law creates an assessment district in Red River Parish to fund the office of the assessor.

Existing law authorizes the creation of assessment districts in specified parishes of this state to provide an optional method of funding the office of the assessor. The boundaries of the district shall be coterminous with the boundaries of the parish, and the duly elected assessor of each parish shall be the ex officio chief executive officer of the district. Further provides that assessment districts shall have the power to tax but only as provided in existing law.

New law retains existing law and adds Red River Parish to the list of parishes.

Effective August 15, 2009.
