

Existing law provides that the La. Immersive Technologies Enterprise Commission is governed by a board of commissioners composed of five persons appointed as follows:

1. One member appointed by the secretary of the La. Department of Economic Development.
2. Two members appointed by the chairman of the board of the Lafayette Economic Development Authority.
3. Two members appointed by the president of the University of Louisiana at Lafayette, or his designee.

New law adds two members to the commission. New law changes the number of members appointed by the chairman of the board of the Lafayette Economic Development Authority from two to three, and changes the number of members appointed by the president of the University of Louisiana at Lafayette or his designee from two to three. New law otherwise retains prior law.

Effective August 15, 2009.
