

Existing law (R.S. 33:2740.38) provides for the Shreveport Downtown Development District, a special taxing district created in order to halt the deterioration of property value in the central business district of the city. Provides that the district shall be governed by the Shreveport Downtown Development Authority and provides for district boundaries.

New law changes the boundaries of the district.

Effective upon signature of governor (July 7, 2009).

(Amends R.S. 33:2740.38(B))
