DIGEST

Present law regarding statewide concealed handgun permits, prohibits the carrying, and a permit from authorizing the carrying, of a firearm into a "school firearm-free zone" which is defined as an area inclusive of any school campus and within 1000 feet of any such school campus and within a school bus.

Proposed law changes the present law prohibition to prohibit the carrying, or the permit from authorizing the carrying, of a firearm into any school, school campus or school bus.

Present law criminalizes the carrying of a firearm in a school firearm-free zone.

Present law provides an exception from the criminal statute for all of the following:

- (1) A federal, state, or local law enforcement officer in the performance of his official duties.
- (2) A school official or employee acting during the normal course of his employment or a student acting under direction of such school official or employee.
- (3) A person having written permission of the principal.
- (4) The possession of firearm occurring within 1000 feet of school property and entirely on private property, or entirely within a private residence, or in accordance with a concealed handgun permit for special officers or a local concealed handgun permit.
- (5) Any constitutionally protected activity which cannot be regulated by the state, such as a firearm contained entirely within a motor vehicle.
- (6) Any student carrying a firearm to or from a class, in which he is duly enrolled, that requires the use of the firearm in the class.

- (7) A student enrolled or participating in an activity requiring the use of a firearm including but not limited to any ROTC function under the authorization of a university.
- (8) A student who possesses a firearm in this dormitory room or while going to or from his vehicle or any other person with permission of the administration.

Proposed law adds an exception for statewide concealed handgun permittees in accordance with the permit.
