Present law provides that a person born in a foreign country who is adopted in the state of Louisiana, but who is not a United States citizen, or who is a naturalized United States citizen, and a person born in a foreign country and adopted outside the United States by adoptive parents who are residents of the state of Louisiana at the time of the adoption, may obtain a new birth certificate according to certain conditions, limitations, and procedures.

Proposed law retains present law and further provides that the registrar shall issue a record of birth, pursuant to present law, only where the adoptive parent or parents would qualify as a petitioner or petitioners in this state, pursuant to Children's Code Article 1198 or 1221.
