<b>Subject:</b> The Louisiana Family Hunting Law	

HUNTERS/HUNTING OR NO IMPACT See Note Page 1 of 1

Exempts hunters who are under the direct supervision of certain people from having to complete a firearm and hunter education course. (8/15/10)

Present law requires that no person can hunt with a firearm unless that person has first been issued a certificate of satisfactory completion of a firearm and hunter education course taught or approved by the Department of Wildlife and Fisheries, or possesses a valid hunting license issued by the department. Further provides for exemptions from this requirement.

Proposed law provides an exemption for any person who is accompanied and is under direct supervision by his parent, step parent, grandparent or step grandparent with a valid hunting license or proof of successful completion of a hunter safety education course approved by the department. No application for exemption is required.
