HB No. 118

**Abstract:** Exempts registered antique vehicles, which are 25 years or older, from the motor vehicle inspection requirements.

Present law provides that motor vehicles which are 40 years old or older, used primarily for exhibition in shows, parades, tours, and other special uses and not for general transportation and registered and licensed as antiques pursuant to law, are exempt from the motor vehicle inspection requirements.

Proposed law reduces the minimum age requirement to 25 years, consistent with the definition of "antique vehicle" in present law.
