HB No. 108

Abstract: Increases the civil jurisdictional amount in dispute for the City Court of Jeanerette and the City Court of New Iberia from \$15,000 to \$30,000.

Present law provides that, unless specified otherwise, the civil jurisdiction of a city court is concurrent with the district court in cases where the amount in dispute, or the value of the property involved, does not exceed \$15,000.

Present law provides that in the city courts of Jennings, Hammond, and Oakdale, the civil jurisdiction is concurrent with the district court in cases where the amount in dispute or the value of property involved does not exceed \$30,000.

Proposed law adds the City Court of Jeanerette and the City Court of New Iberia to those city courts having civil jurisdiction where the amount in dispute or the value of property involved does not exceed \$30,000.
