
The original instrument and the following digest, which constitutes no part of the legislative instrument, were prepared by Cathy R. Wells.

DIGEST

Chabert (SB 562)

Present law creates in the Dept. of State and provides relative to the South Louisiana Wetlands Discovery Center and its board of commissioners in Terrebonne Parish.

Proposed law retains present law, but removes the center from the Dept. of State.

Present law authorizes the Dept. of State and the South Louisiana Wetlands Discovery Center Commission to jointly or separately solicit and accept funds to achieve the center's purpose.

Proposed law authorizes the governing authority for the parish of Terrebonne and the commission to jointly or separately solicit and accept funds to achieve the center's purpose.

Present law requires the secretary of state to establish policies, rules, and regulations for the operation of the center in accordance with the APA.

Proposed law requires the commission to establish policies, rules, and regulations for the operation of the center in accordance with the APA.

Effective upon signature of the governor or lapse of time for gubernatorial action.

(Amends R.S. 25:1312(A), 1314, 1315, and 1316; repeals R.S. 25:1313(B)(3), R.S. 36:744(M) and 801.21)
