DIGEST

Chabert (SB 708)

Present law provides that the contract limit for any contract by a public entity to restore or rehabilitate a levee which is not maintained with federal funds or to perform mitigation on public lands owned by the state or a political subdivision shall be equal to the sum of \$1,000,000, provided that the project is undertaken by the public entity with its own resources and employees or with the resources and employees of another public entity through a cooperative endeavor or other agreement with such entity.

Present law further provides for a termination date of December 31, 2010.

Proposed law changes the termination date from December 31, 2010 to December 31, 2014.

Effective upon signature of the governor or lapse of time for gubernatorial action.
