

HOUSE SUMMARY OF SENATE AMENDMENTS

House Bill No. 585 by Representative Perry

TRANSPORTATION: Makes changes to "Road Show" hearings process

Synopsis of Senate Amendments

1. Removed DOTD as the party responsible to notify legislators of the "Road Show" meetings and requires the chairman of the Joint Highway Priority Construction Committee to notify legislators of the "Road Show" meetings.
2. Technical amendments.

Digest of Bill as Finally Passed by Senate

Proposed law requires the chairman of the Joint Highway Priority Construction Committee to provide electronic notice to each member of the Joint Highway Priority Construction Committee and each legislator representing the parishes within the respective highway district, 15 days prior to each public hearing, notwithstanding any unforeseen circumstances, in each required highway district.

(Amends R.S. 48:231(A) and (B)(1))
