7 clearly describe all matters discussed in a meeting and shall provide a full and
8 accurate summary of actions taken, and the reasons therefore, including a
9 description of the views expressed and the record of a roll call vote. All
10 documents considered in connection with an action shall be identified in such

10 within such person's state may not exceed the limits of liability set forth under
11 the constitution and laws of that state for state officials, employees, and agents.
12 The Interstate Commission is considered to be an instrumentality of the states
13 for the purposes of any such action. Nothing in this Chapter shall be construed
14 to protect such person from suit or liability for damage, loss, injury, or liability
15 caused by a criminal act or the intentional or willful and wanton misconduct of
16 such person.

17 (3) The Interstate Commission shall defend the staff director and its
18 employees and, subject to the approval of the attorney general or other

3 Columbia or in the Federal District Court where the Interstate Commission's
4 principal office is located for judicial review of such rule. If the court finds that
5 the Interstate Commission's action is not supported by substantial evidence in
6 the rulemaking record, the court shall hold the rule unlawful and set it aside.

7 F. If a majority of the legislatures of the member states rejects a rule, those
8 states may by enactment of a statute or resolution in the same manner used to

5 compact, its bylaws or rules of the Interstate Commission.

6 **B. Dispute resolution:**

7 (1) The Interstate Commission shall attempt, upon the request of a

2 other member state upon enactment of the compact into law by that state. The
3 executive heads of the state human services administration with ultimate
