Proposed law retains present law and adds all employees who are scheduled to work less than 32 hours per week to the unclassified list of employees.

Requires the commission to appoint a civil service director who shall be a member of the classified service and shall be qualified and experienced in civil service matters. Additionally requires the director to be responsible to the commission for the administration of the classified civil service system for the city.

Proposed law retains present law and provides additional requirements for the civil service director. Requires the civil service director to possess, at a minimum, a bachelor's degree from an accredited college or university. Provides that this requirement is mandatory and shall not be waived or substituted. Additionally requires the civil service director to possess experience in human resources or personnel administration.

Proposed law requires the commission to evaluate the job performance of the civil service director on an annual basis. Further requires that the job performance be evaluated every third year by an independent consultant employed or contracted with by the commission.

Present law provides the commission shall be comprised of five members appointed as follows:

- (1) One member appointed by the president of Louisiana College.
- (2) One member appointed by the chancellor of Louisiana State University at Alexandria.

- (5) One member elected by the classified Alexandria city employees, as required by law.

Proposed law retains present law.

Present law provides for the filling of vacancies in the membership of the commission. Requires appointing authorities to make appointments within 60 days of a vacancy occurring. Requires the city council to ratify or reject the appointment within 30 days of receipt. Provides that if the appointment is rejected another appointment shall be solicited from the same appointing authority.

Proposed law instead requires the appointing authority to submit the appointment, by certified mail, to the president of the Alexandria City Council within 45 days of the vacancy occurring. Requires the city council to ratify or reject the appointment within 45 days of receipt. Provides that the ratification of an appointment is subject to the concurrence of the mayor. Provides that if the appointment is rejected, or the mayor fails to concur in the ratification of the appointment, another appointment shall be solicited from the same appointing authority.

Present law provides that if the city council rejects two consecutive appointments from an appointing authority, the third person submitted shall automatically be appointed without ratification.

Proposed law instead requires automatic appointment of the third person submitted without ratification if the appointing authority submits two consecutive appointments which fail to be ratified by the council and concurred in by the mayor. Proposed law prohibits the appointing authority from resubmitting the name of any person whose appointment has been previously

rejected by the city council or previously failed to receive the concurrence of the mayor.

Present law provides that if the council fails to ratify or reject an appointment within 30 days after receipt of the name of a person to be appointed, the appointment shall be automatically ratified.

Proposed law instead provides for automatic appointment if the council fails to act within 45 days of receipt of an appointment.

Proposed law authorizes the commission to solicit proposals from individual attorneys or law firms to serve as legal counsel to the commission. Requires the attorney or firm selected to sign a written contract which must provide for the hourly rate at which the attorney or firm will be compensated. Requires the commission to fix the hourly rate in accordance with the state attorney general's maximum hourly fee schedule for professional legal services. Requires the commission to evaluate the job performance of the attorney or firm on an annual basis.

Proposed law authorizes the selected attorney or firm that serves as legal counsel to the commission to represent the commission in legal proceedings. Proposed law provides that the commission is not prohibited from selecting a different attorney or law firm to represent the commission in a legal proceeding. Requires that the attorney or firm sign a written contract which provides for an hourly rate of compensation as provided in proposed law. Requires that a majority of the members of the commission give their written approval prior to any attorney or law firm representing the commission in any legal proceeding.
