DIGEST

Marionneaux (SB 13)

Present law authorizes a deduction from taxable income equal to 50% of "tuition and fees" paid by a taxpayer for a dependent child to a nonpublic elementary or secondary school or to any public elementary or secondary laboratory school which is operated by a public college or university. The deduction is limited to \$5,000 per child.

"Tuition" is defined as the following:

- (1) The purchase of school uniforms required by schools for general day-to-day use.
- (2) The purchase of textbooks, curricula, or other instructional materials required by schools.
- (3) The purchase of school supplies required by schools.

Proposed law removes the 50% cap, making the deduction equal to the full amount paid by such taxpayers up to \$5,000 per child.

Applicable to all income tax years beginning on and after January 1, 2011.

Effective upon signature of the governor or lapse of time for gubernatorial action.
