9 Be it enacted by the Legislature of Louisiana:

10 Section 1. Chapter 14 of Title 25 of the Louisiana Revised Statutes of 1950,  
11 comprised of R.S. 25:671 through 674, is hereby enacted to read as follows:

12 CHAPTER 14. LOUISIANA FRENCH LANGUAGE SERVICES PROGRAM

13 §671. Legislative findings

14 The legislature finds that:

15 (1) The heritage of the French-speaking people of Louisiana is one of the  
16 greatest treasures of Louisiana's rich cultural patrimony and perhaps the most  
17 significant factor in making the state's culture unique.

18 (2) Louisiana has a quarter of a million French-speaking citizens and a  
19 million residents of French-language heritage, and French-speaking visitors to  
20 Louisiana spend roughly one hundred million dollars annually in the state.

1           (3) Commercial and industrial concerns based in France have made  
2           investments of one billion eight hundred million dollars in the state and further  
3           encouragement of such investment is in the interests of the state.

4           (4) Providing state government services in the French language would  
5           encourage the preservation of the state's French cultural heritage for future  
6           generations, would provide important and sometimes life-sustaining services to  
7           French-speaking citizens and visitors, and would support and encourage French  
8           investment in Louisiana, and therefore, would serve not only the state's French-  
9           speaking citizens but the entire state.

10           §672. Louisiana French Language Services Program; purposes

11           The Louisiana French Language Services Program shall be established as  
12           provided in this Chapter for the following purposes:

13           (1) To the extent practicable, to provide state government services to French-  
14           speaking citizens and visitors in the French language.

15           (2) To assist Louisiana citizens who speak French in dealing with and  
16           receiving services from state government so as to support the long-term  
17           sustainability of Louisiana's historic French cultural heritage.
