

Existing law created the Workers' Compensation Second Injury Fund to fund the administrative expenses of the Second Injury Board and to reimburse compensable claims of property and casualty insurers, self-insured employers, and group self-insurance funds.

New law provides that the Second Injury Board may approve funds to be allocated to the La. Rehabilitation Services to assist potential employers and qualified employees with disabilities.

New law requires the La. Rehabilitation Services to provide a quarterly report to the Second Injury Fund Board that includes all funding balances and expenditures as well as case statistical information.

Effective August 15, 2011.
