

Records an understanding and shared vision between the Board of Regents and the La. Legislature regarding the future of higher education in La.

Requests that the Board of Regents:

- (1) Aggressively and fully implement previously established admission standards and additional admission standards as warranted.
- (2) Ensure that developmental education and associate degree programs be delivered primarily by two-year institutions.
- (3) Include in its Master Plan the concepts outlined in the Resolution and track the data requested by the legislature.

Provides that the board shall submit a written report of its progress in all of these areas to the legislative education committees not later than March 1, 2012, and shall deliver a copy of the updated Master Plan to the La. Senate and House of Representatives before Sept. 1, 2011.
