

Requests the State Board of Elementary and Secondary Education to revise the LEAP testing schedule to provide for the administration of the tests in May of each year as close to the end of the school year as possible and to consider the amount of time necessary to receive test scores, determine which students will need remediation, and then provide the required summer remediation programs to such students. Provides for a written report to the House and Senate education committees prior to the 2012 R.S. on the status of any actions taken relative to such schedule change.
