
The original instrument and the following digest, which constitutes no part of the legislative instrument, were prepared by Cheryl Horne.

DIGEST

Present law, relative to long-term care insurance, requires the commissioner of insurance to promulgate regulations and minimum standards for marketing practices, producer compensation, producer testing, penalties, and reporting practices.

Proposed law retains present law and adds independent review of benefit determinations to the commissioner's authority to promulgate rules and marketing practices.

Effective August 1, 2012.
