
The original instrument and the following digest, which constitutes no part of the legislative instrument, were prepared by Alan Miller.

DIGEST

Present law provides that the La. Public Service Commission shall promulgate rules and regulations which comply with federal regulations that prohibit a telemarketer from making wireless telephonic solicitations.

Proposed law retains present law and adds that the commission shall promulgate rules and regulations regarding unrequested commercial text messages and third-party charges to the consumer for certain text message solicitations.

Effective January 1, 2013.

(Amends R.S. 45:844.8)
