DIGEST

Present law provides that illegally supplying a felon with a firearm or ammunition is the intentional giving, selling, donating, providing, lending, delivering, or otherwise transferring such firearm or ammunition to any person known by the offender to a person convicted of a felony and prohibited from possessing a firearm.

Proposed law retains present law and makes it unlawful for a person to:

1. Knowingly solicit, persuade, encourage, or entice a licensed dealer or private seller of firearms or ammunition to sell a firearm or ammunition under circumstances which the person knows violate the laws of this state or of the U.S.
2. Provide to a licensed dealer or private seller of firearms or ammunition what the person knows to be materially false information with intent to deceive the dealer or seller about the legality of a sale of a firearm or ammunition.
3. Willfully procure another person to engage in conduct that is prohibited by proposed law.

Proposed law provides the following definitions:

1. "Licensed dealer" means a person who is licensed pursuant to federal law to engage in the business of dealing in firearms or ammunition.
2. "Private seller" means a person who sells or offers for sale any firearm or ammunition.
3. "Ammunition" means any cartridge, shell, or projectile designed for use in a firearm.
4. "Materially false information" means information that portrays an illegal transaction as legal or a legal transaction as illegal.

Proposed law exempts law enforcement officers acting in their official capacity or to a person acting at the direction of such law enforcement officer.

Proposed law provides penalties for fraudulent firearm and ammunition purchases of not less than \$1000 or more than \$5000, or imprisoned, with or without hard labor, for not less than one year or more than five years, or both. Provides that at least one year of the sentence imposed shall be served without benefit of parole, probation, or suspension of sentence.

Effective August 1, 2012.
