DIGEST

Thompson (SB 149)

Present law requires agricultural liming material sold, offered for sale, or distributed in this state to be registered with the Feed, Fertilizer, and Agricultural Liming Commission.

Present law further provides that each registration shall be valid for one year beginning on the first day of July and ending on the last day of July of the following year.

Proposed law retains present law but corrects the ending registration date from the last day of July to the last day of June.

Proposed law corrects references to the term "stop order."

Proposed law provides for technical corrections.

Effective upon signature of the governor or lapse of time for gubernatorial action.
