DIGEST

Morrell (SB 362)

Present law provides for the licensing and operation of video draw poker devices at qualified truck stop facilities which sell lubricating oil and other vehicular merchandise, such as batteries, tires, or vehicle parts for 18-wheel tractor-trailers and requires that they have an onsite restaurant with seating for at least 50 patrons, with full table service for sit-down meals.

Proposed law requires the seats in the restaurants to be in a centralized location, requires the restaurant to offer tables or booths, and removing the full table service requirement.

Effective August 1, 2012.
