3 and 753 and R.S. 28:57, relative to firearms; to require clerks of court to provide  
4 certain information to the Louisiana Supreme Court; to provide for mandatory  
5 reporting of convictions of certain offenses and judicial determinations which would  
6 prohibit persons from possessing, shipping, transporting, or receiving firearms  
7 pursuant to state and federal law; to provide relative to permits to carry a concealed

9 Louisiana Supreme Court and to the National Instant Criminal Background Check  
10 System database; to provide procedures by which certain persons may file a civil  
11 petition seeking adjudicated restoration of certain rights relative to the possession  
12 and carrying of certain firearms; to provide procedures by which such petitions shall  
13 be filed, heard, recorded, and reported to the Louisiana Supreme Court and to the  
14 National Instant Criminal Background Check System; to provide for the effects of  
15 judgments in such proceedings; and to provide for related matters.

16 Be it enacted by the Legislature of Louisiana:

17 Section 1. R.S. 13:752 and 753 are hereby enacted to read as follows:

18 §752. Legislative findings

19 (1) The Second Amendment of the United States Constitution provides that,  
20 "[a] well regulated Militia, being necessary to the security of a free State, the right  
21 of the people to keep and bear Arms, shall not be infringed".

1           (2) Article I, Section 11 of the Louisiana Constitution provides that "The  
2           right of each citizen to keep and bear arms is fundamental and shall not be infringed.  
3           Any restriction on this right shall be subject to strict scrutiny."

4           (3) Federal law (18 U.S.C. 922(g)) prohibits a person who has been  
5           convicted of a crime punishable by imprisonment exceeding one year from  
6           purchasing a firearm.

7           (4) Federal law (18 U.S.C. 922(g)) further prohibits any person who the  
8           court has determined to have certain mental conditions from purchasing a firearm.

9           (5) Based upon the successful interfacing of state law enforcement agencies  
10          with the Federal Bureau of Investigation criminal databases, information regarding  
11          a person's criminal convictions is available at the point of sale.

12          (6) However, the reporting of judicial decisions which would, in effect,  
13          prohibit a person from being eligible to purchase a firearm under federal law has not  
14          been consistent nor has the information been uniformly reported to the Federal  
15          Bureau of Investigation.

16          (7) The state of Louisiana has a compelling interest in protecting and  
17          preserving the fundamental rights of its citizens to keep and bear arms while also  
18          ensuring the timely reporting of information to the Federal Bureau of Investigation  
19          regarding court decisions which would prohibit the purchase of a firearm.

20          (8) It is the express intention of the legislature that the provisions of this  
21          Section and R.S. 13:753 are enacted to provide for the collection of information and  
22          to facilitate the reporting of information which would prohibit the purchasing of  
23          firearms while preserving the constitutional rights of Louisiana citizens to keep and  
24          bear arms.

25          §753. Reporting of information to Louisiana Supreme Court for NICS database;  
26          possession of a firearm

Proposed law provides that the court shall grant the relief requested if it finds, by a preponderance of the evidence, that the petitioner's record and reputation are such that he will not be likely to act in a manner dangerous to public safety and that the granting of the relief requested would not be contrary to the public interest.

Proposed law provides that after a judgment granting restoration of rights has been issued and becomes final and definitive, the clerk of court in the district where the judgment was rendered shall within ten business days after receipt of the final and definitive judgment, forward a copy of the judgment to the supreme court. Further provides that the supreme court shall within 15 business days after receipt of the judgment revise the person's record in any information database that the supreme court makes available to the National Instant Criminal Background Check System, and shall notify the U.S. Attorney General.
