AN ACT

To amend and reenact R.S. 40:1299.35.2(A), 1299.35.2.1, and 2175.3(2) and (5), relative to abortion; to provide for requirements of physicians who perform abortions; to require delivery of certain information concerning health care facilities and services to a pregnant woman prior to abortion; to provide regulations for the practice of inducing an abortion through use of drugs or chemicals; to provide for definitions of terms in the Outpatient Abortion Facility Licensing Law; to provide for penalties; to provide for application of laws; to provide for legislative intent; and to provide for related matters.

Be it enacted by the Legislature of Louisiana:

Section 1. R.S. 40:1299.35.2(A), 1299.35.2.1, and 2175.3(2) and (5) are hereby amended and reenacted to read as follows:

§1299.35.2. Abortion by physician; determination of viability; ultrasound test required; exceptions; penalties

A.(1) Physician requirement requirements. No person shall perform or induce an abortion unless that person is a physician licensed to practice medicine in the state of Louisiana and is currently enrolled in or has completed a residency in obstetrics and gynecology or family medicine. Any outpatient abortion facility that knowingly or negligently employs, contracts with, or provides any valuable consideration for the performance of an abortion in an outpatient abortion facility by any person who does not meet the requirements of this Section is subject to having

CODING: Words in **struck through** type are deletions from existing law; words **underscored** are additions.
its license denied, non-renewed, or revoked by the Department of Health and Hospitals in accord with R.S. 40:2175.6.

(2) On the date the abortion is performed or induced, a physician performing or inducing an abortion shall:

(a) Have active admitting privileges at a hospital that is located not further than thirty miles from the location at which the abortion is performed or induced and that provides obstetrical or gynecological health care services.

(b) Provide the pregnant woman with all of the following before the abortion is performed or induced:

(i) A telephone number by which the pregnant woman may reach the physician, or other health care personnel employed by the physician or facility at which the abortion was performed or induced, who has twenty-four hour per day access to the woman's relevant medical records so that the woman may request assistance related to any complication that arises from the performance or induction of the abortion, or to ask health-related questions regarding the abortion.

(ii) The name and telephone number of the nearest hospital to the home of the pregnant woman at which an emergency arising from the abortion would be treated.

(iii) Written notice informing the pregnant woman whether the outpatient abortion facility follows the practice of imposing abortion sales quotas on its employees.

§1299.35.2.1. Drugs or chemicals used; penalties

A. When any drug or chemical is used for the purpose of inducing an abortion as defined in R.S. 40:1299.35.1, the physician who prescribed the drug or chemical shall be in the same room and in the physical presence of the pregnant woman when the drug or chemical is initially administered, dispensed, or otherwise provided to the pregnant woman.
B. The drug or chemical shall not be administered, dispensed, or otherwise provided to the pregnant woman by a physician or any person acting under the physician's direction, whether in a licensed outpatient abortion facility, private medical office or any other facility, unless the physician has obtained the voluntary and informed consent of the pregnant woman pursuant to the provisions of R.S. 40:1299.35.6 and the requirements set forth therein.

C. If a physician prescribes, dispenses, administers, or provides any drug or chemical to a pregnant woman for the purpose of inducing an abortion as defined in R.S. 40:1299.35.1, the physician shall report the abortion to the Department of Health and Hospitals as provided in R.S. 40:1299.35.10.

D. In addition to the requirements of reporting complications to the Department of Health and Hospitals pursuant to R.S. 40:1299.35.10, if the physician knows that the woman experiences a serious adverse event, as defined by the MedWatch Reporting System, during or after the administration or use of the drug, the physician shall also report the event to the United States Food and Drug Administration through the MedWatch Reporting System not later than the third day after the date the physician learns that the event occurred.

E. The Louisiana State Board of Medical Examiners may take disciplinary action as authorized in R.S. 37:1261 et seq. or any other applicable provision of law against a physician who violates any provision of this Section.

F. Any person not under the direction of a physician who knowingly performs or attempts to perform an abortion without complying with the requirements of using chemicals or drugs in violation of this Section shall be subject to penalties pursuant to R.S. 40:1299.35.19. No penalty may be assessed against the woman upon whom who undergoes the abortion is performed or attempted to be performed.

§2175.3. Definitions

For purposes of this Part, the following definitions apply:

* * *

(2) "First trimester" means the time period from six up to fourteen weeks after the first day of the last menstrual period.

* * *

(5) "Outpatient abortion facility" means any outpatient facility, other than a hospital as defined in R.S. 40:2102 or an ambulatory surgical center as defined in R.S. 40:2133, in which any second trimester or five or more first trimester abortions per month calendar year are performed.

* * *

Section 2. This Act shall be known as the "Unsafe Abortion Protection Act".

Section 3. The legislature intends that every application of this statute to every individual woman shall be severable from each other. In the unexpected event that the application of this statute is found to impose an impermissible undue burden on any pregnant woman or group of pregnant women, the application of the statute to those women shall be severed from the remaining applications of the statute that do not impose an undue burden, and those remaining applications shall remain in force and unaffected.

Section 4. The Louisiana State Law Institute is hereby authorized and requested to redesignate, in accordance with the provisions of the Act which originated as House Bill No. ____ of this 2014 Regular Session of the Legislature, the number of any Section of statute amended by this Act and recodified by the provisions of the Act which originated as House Bill No. ____ of this 2014 Regular Session of the Legislature.

Katrina Jackson

Abstract: Provides for requirements of physicians who perform abortions.
Present law provides requirements of physicians who perform abortions. Proposed law retains present law and adds thereto a requirement that on the date an abortion is performed or induced, the physician performing or inducing the abortion shall:

1. Have active admitting privileges at a hospital that is located not further than 30 miles from the location at which the abortion is performed or induced and that provides obstetrical or gynecological health care services.

2. Provide the pregnant woman with all of the following before the abortion is performed or induced:
   a. A telephone number by which the pregnant woman may reach the physician, or other health care personnel employed by the physician or facility at which the abortion was performed or induced, who has twenty-four hour per day access to the woman's relevant medical records so that the woman may request assistance related to any complication that arises from the performance or induction of the abortion, or to ask health-related questions regarding the abortion.
   b. The name and telephone number of the nearest hospital to the home of the pregnant woman at which an emergency arising from the abortion would be treated.
   c. Written notice informing the pregnant woman whether the outpatient abortion facility follows the practice of imposing abortion sales quotas on its employees.

Present law provides regulations for the practice of inducing an abortion through use of drugs or chemicals. Proposed law retains present law and adds thereto the following requirements:

1. No drug or chemical shall be administered, dispensed, or otherwise provided to the pregnant woman by a physician or any person acting under the physician's direction, whether in a licensed outpatient abortion facility, private medical office or any other facility, unless the physician has obtained the voluntary and informed consent of the pregnant woman pursuant to the requirements of present law.

2. If a physician prescribes, dispenses, administers, or provides any drug or chemical to a pregnant woman for the purpose of inducing an abortion, the physician shall report the abortion to DHH in accordance with provisions of present law.

3. If the physician knows that the woman experiences a serious adverse event, as defined by the MedWatch Reporting System, during or after the administration or use of a drug to induce an abortion, the physician shall report the event to the U.S. Food and Drug Administration through the MedWatch Reporting System not later than the third day after the date he learns that the event occurred.

Proposed law authorizes the La. State Board of Medical Examiners to take disciplinary action as authorized in present law against a physician who violates any provision of proposed law.

For purposes of present law comprising the Outpatient Abortion Facility Licensing Law, present law defines "first trimester" as the time period from 6 to 14 weeks after the first day of the last menstrual period. Proposed law revises definition to provide that "first trimester" means the time period up to 14 weeks after the first day of the last menstrual period.

For purposes of present law comprising the Outpatient Abortion Facility Licensing Law, present law defines "outpatient abortion facility" as any outpatient facility, other than a
hospital or an ambulatory surgical center, in which any second trimester or five or more first trimester abortions per month are performed. Proposed law changes the abortions per unit of time metric provided in the definition from five or more first trimester abortions per month to five or more first trimester abortions per calendar year.

Proposed law provides the intent that every application of proposed law to every individual woman shall be severable from each other. Provides that in the event the application of proposed law is found to impose an impermissible undue burden on any pregnant woman or group of pregnant women, the application of proposed law to those women shall be severed from the remaining applications of the statute that do not impose an undue burden, and those remaining applications shall remain in force and unaffected.

Proposed law provides that proposed law shall be known as the "Unsafe Abortion Protection Act".

(Amends R.S. 40:1299.35.2(A), 1299.35.2.1, and 2175.3(2) and (5))
