5 than one public office or employment in Louisiana.

6 §1004. General purpose; duties

7 A. The general purpose for which the Louisiana State Health Care
8 Profession Institute is formed is to carry on research regarding health care
9 professions. To that end it shall be the duty of the Louisiana State Health Care
10 Profession Institute:

11 (1) To consider needed improvements with the professions providing
12 health care services and to make recommendations concerning the same to the
13 legislature.

14 (2) To examine and study the scope of practices of health care
15 professionals and recommend needed reforms.

16 (3) To receive and consider suggestions from the legislature and the
17 public generally as to issues regarding health care professions and the services
18 such professions provide.

19 (4) To recommend from time to time such changes in the law as it deems
20 necessary to modify or eliminate antiquated and inequitable scope of health
21 care profession issues, and provide assistance to the legislature to bring the laws
22 and regulations of the state into harmony with modern health care conditions.

23 (5) To render annual reports to the legislature, and if it deems advisable,
24 to accompany its reports with proposed bills to carry out any of its
25 recommendations.

26 (6) To organize and conduct an annual meeting in the state for
27 discussions of current problems with the professions of health care, bringing
