EXPENDITURE EXPLANATION

This bill may result in an indeterminable increase in state expenditures and/or local expenditures (Attorney General & District Attorneys) related to the enforcement of the provisions of the proposed legislation. The LFO does not know of the number of contractual agreements that would now be considered null, unenforceable and against public policy as discussed in the legislation. Thus, it would be difficult to determine the enforcement expenditures incurred by the state and/or local political subdivisions.

REVENUE EXPLANATION

There is no anticipated direct material effect on governmental revenues as a result of this measure.
