EXPENDITURE EXPLANATION

This bill may decrease local fund expenditures for parish sheriffs' offices and municipalities by an indeterminable amount.

Sheriffs

According to officials with the East Baton Rouge Parish Sheriff, Ascension Parish Sheriff, and Bossier Parish Sheriff, this bill would not affect expenditures because tax collectors in these parishes and several others are already using authorized agents to conduct tax sales online.

This bill may decrease local fund expenditures for parish sheriff offices which do not currently use authorized agents to conduct tax sales. By using an authorized agent rather than their own staff, these tax collectors may decrease payroll costs.

An official with the Secretary of State's office indicated that there would be no additional election costs to propose this constitutional amendment, as the November 4, 2014 statewide election is included in current budgets.

Municipalities

According to officials with the Town of Glenmora and the Village of Epps, this bill would not affect local fund expenditures. The Town of Glenmora indicated it would continue to hold tax sales under current procedures without an authorized agent.

REVENUE EXPLANATION

There is no anticipated direct material effect on governmental revenues as a result of this bill.
