Proposed law requires express statutory authority for compensation to a special attorney or counsel representing the attorney general, or any state agency, board or commission, not including any public postsecondary education institution, on a contingency fee or percentage basis.

Proposed law requires that a preference in hiring be given to attorneys licensed to practice law in this state and law firms domiciled and licensed in this state.

Proposed law provides that any recovery or award of attorney fees including settlement, in litigation involving the attorney general, or any state agency, board, or commission belongs to the state and shall be deposited into the state treasury.

Proposed law requires that any special attorney or counsel retained or employed by the attorney general, or any state agency, board, or commission, not including public postsecondary education institutions, shall be considered a public servant such that the retention shall not circumvent the requirement of direct payment for services.

Present law requires written approval from the attorney general or governor for the employment of any special attorney or counsel to represent any state board or commission, not including any public postsecondary education institution, in any matter for which compensation is to be paid for services by application and a resolution setting forth the reasons for the employment of the special attorney or counsel and the proposed compensation.

Proposed law provides that the attorney general and governor may designate or approve the amount of compensation in writing.

Proposed law requires the applicant to submit an application and a resolution that meets requirements for a resolution as provided by present law. Further requires the applicant to

include in his application a copy of the proposed contract and a written statement from the attorney designated to represent the entity, explaining why he could not handle the matter.

Present law prohibits the attorney general and governor from ratifying or approving any action of a board in employing any special attorney or counsel or paying any compensation for special services rendered unless all of the board or commission has complied with all of the formalities regarding the resolution.

Proposed law retains present law and provides for the following additional prohibitions:

- (1) The terms of the resolution do not match the required terms of the contract.
- (2) The need is not sufficiently shown in the resolution.
- (3) The fee is unreasonable.
