<b>Subject:</b> Crime of gambling and gambling by computer		

GAMBLING REF INCREASE GF EX See Note Page 1 of 1  
 Prohibits gambling by electronic sweepstakes device

Present law provides for the crimes of gambling and gambling by computer.

Proposed law defines gambling by electronic sweepstakes device. Provides penalties of a fine of not more than \$20,000, imprisonment with or without hard labor for not more than five years, or both.

**EXPENDITURE EXPLANATION**

The proposed legislation may result in an indeterminable increase in state general fund expenditures if a defendant is convicted of gambling by electronic sweepstakes device. The exact fiscal impact of the passage of this legislation is indeterminable, since the legislation creates a new crime and it is not known how many individuals will be convicted of the crime. However, any offender sentenced to the custody of the Department of Public Safety and Corrections increases expenditures by \$24.39 per day per offender in local facilities. Therefore, for any offender convicted of this crime, it would cost the state \$8,902 annually (1 offender x \$24.39 per day x 365 days).

To the extent that offenders are sentenced and housed in state facilities, the cost per day per offender is \$52.51. Therefore, for any offender convicted of this crime, it would cost the state \$19,167 annually (1 offender x \$52.51 per day x 365 days).

**REVENUE EXPLANATION**

There is no anticipated direct material effect on governmental revenues as a result of this measure. Any revenue generated through the imposition of fines created by this legislation would accrue to local government entities.
