

HOUSE SUMMARY OF SENATE AMENDMENTS

House Concurrent Resolution No. 112 by Representative Fannin

EDUCATION/FINANCE: Authorizes and requests the legislative auditor to conduct a performance audit of MFP student count methodology and processes to determine if they ensure accurate and consistent student counts

Synopsis of Senate Amendments

1. Specifies that the audit is to be a performance audit.

Digest of Bill as Finally Passed by Senate

Authorizes and requests the legislative auditor to conduct a performance audit of the methodology and processes utilized for the student counts used in the Minimum Foundation Program formula, to determine if the methodology ensures accurate and consistent student counts and if counting and reporting processes follow the methodology and are efficient and effective, and to make recommendations for any changes he finds would provide for greater accuracy, efficiency, and consistency.
