 26 state population, and (b) an amount equal to that percentage of twenty percent of the total
 27 fund which is equal to the ratio which the number of homesteads in the parish bears to the
 28 total number of homesteads in the state. As used in this Section, the term "homesteads" shall
 29 mean that enumeration of adjusted homestead exemption claims filed with the assessors as
 30 determined by the Louisiana Tax Commission as of March thirty-first of the current calendar

1 Section 4. Except as provided in Section 5, the state treasurer shall distribute the

7 result of homestead exemptions based on the tax rolls for the current calendar year and shall
8 be distributed directly to the city treasurer of the city of Monroe, who shall pay therefrom
9 the statutorily dedicated deductions for retirement systems. For the purpose of distribution
10 of the balance of the revenue sharing funds the state treasurer may use the amount listed on
11 the prior year Ouachita Parish tax rolls which were due the Monroe City School Board.

12 Section 6. Eleven and nine-tenths percent of all revenue sharing funds distributed
13 by the provisions of this Act, excluding such funds as are distributed directly to the city of
14 New Orleans and the amount listed on the prior year Ouachita Parish tax rolls which were

16 be distributed as commissions to the tax collectors of the respective parishes, the city of New
17 Orleans excepted. Each such tax collector shall receive a percentage of such fund, based on
18 commissions received by him pursuant to Act 153 of the 1973 Regular Session, as provided
19 in Section 8 of this Act.

25 payment pursuant to Act 153 of the 1973 Regular Session, as provided in Section 8 of this
26 Act for distribution to such retirement systems, and shall make due payment thereof to each
27 retirement system in the same proportion that the statutory deduction provided by law for
28 the system bears to the total statutory deductions provided by law for all such retirement
29 systems. For the purpose of distributing these retirement contributions, the state treasurer
30 may use the statutory deductions determined by the Public Retirement Systems Actuarial
31 Committee as per R.S. 11:103 for the previous calendar year.

1 B. The city of New Orleans shall make the deductions legally established for
 2 retirement systems which were eligible for payment pursuant to Act 153 of the 1973 Regular
 3 Session and shall make due payment in accordance with the statutory deductions provided
 4 by law for all such retirement systems. Notwithstanding the above provisions the city of
 5 New Orleans shall remit the following amounts for the indicated retirement systems for

 18 offset losses attributable to homestead exemptions. In any parish which had excess funds
 19 in 1977, the amount available for the reimbursement of homestead exemption losses shall
 20 be limited to the amount used for that purpose in 1977, adjusted by the percentage by which

2 provisions of Section 9(B) of this Act.

 6 proportionate to the reduction in the total amount distributed to each parish, and the amount
 7 distributed by the state treasurer to the city treasurer of the city of Monroe shall be based
 8 upon similar prorating, if necessary; however, in the parish of St. Bernard, the Lake Borgne
 9 Levee District shall receive a minimum of \$163,000 and the St. Bernard Port, Harbor and

5 Section 13. The state treasurer shall distribute one-third of the total amount herein
6 allocated to the parishes from the revenue sharing fund to the parish tax collector, or in
7 Orleans Parish to the city of New Orleans, not later than the first day of December in each
8 year, one-third thereof not later than the fifteenth day of March in each year and one-third
9 thereof not later than the fifteenth day of May in each year, and each one-third of the total
10 allocation shall be distributed in accordance with the provisions of Sections 6, 7, 9, and 10
11 of this Act; however, the legislative auditor may authorize the granting of additional sums
12 due any recipient in advance upon a showing that the advance receipt of such funds is
13 reasonably necessary. If the state treasurer does not distribute said fund on or before the
14 dates specified in this Act, any interest or other income derived by the state from the parish
15 allocations, earned prior to the distribution to the parishes, shall be paid over a pro rata basis
16 together with the principal amounts due the parishes under the provisions of this Act. Any
17 interest or other income derived by the parish tax collector or the city of New Orleans from
18 the investment or other use of such total parish allocations received from the state treasurer,
19 earned prior to the distributions within the parish as required by the foregoing provisions of
20 this Act, shall be paid over a pro rata basis together with the principal amounts due the local
21 recipients under the provisions of this Act upon distribution thereto, and the parish tax
22 collectors or the city of New Orleans may retain only investment income earned on that
23 portion of the total parish allocation to which they are otherwise entitled under the provisions
24 of this Act. In light of the fact that all assessment roll figures will not be available in time
25 to base the December distribution by the treasurer on current figures, the distribution of
26 funds on the first day of December pursuant to this Act shall be based on the distribution
27 figures for Fiscal Year 2012-2013. The remaining two distributions on the fifteenth day of
28 March and the fifteenth day of May shall be based on current figures for Fiscal Year 2013-
29 2014, and such distributions shall be adjusted to compensate for the differences resulting in
30 the use of the Fiscal Year 2012-2013 figures for the December distribution.

1 Section 14. On or before such date as shall be established by the state treasurer, each
2 tax collector, the city of New Orleans, and the city treasurer of the city of Monroe annually
3 shall file with the state treasurer, on such forms as the state treasurer may require, all
4 information necessary to the computation of the funds to be distributed within the parishes,
5 including, but not limited to, a listing of all such local entities seeking eligibility for funds
6 as a tax recipient body under the qualifications set out in Section 1(a), all new millages of
7 such tax recipient bodies as are listed in Section 9(B), and all remaining authorities on the
8 tax rolls which are otherwise ineligible to participate in the distribution of revenue sharing
9 funds as tax recipient bodies. The listing shall include such verification for eligibility as
10 may be required by the state treasurer and, notwithstanding the provisions of Section 12
11 hereof, no revenue sharing funds shall be distributed prior to receipt and acceptance by the
12 state treasurer of such information and verification. The same authorities shall in the same
13 manner submit to the state treasurer a statement of the amount of revenue sharing funds
14 distributed to each recipient of such funds, including the amount deducted for sheriffs'
15 commissions and for retirement system contributions and shall state clearly on such forms
16 the amount of the distribution to each such recipient which is derived from excess funds and
17 the amount of such distribution which represents reimbursement for tax losses by reasons
18 of the homestead exemption. Such statement shall also include the amount of any revenue
19 sharing funds which remain to be distributed and the recipients to which such remaining
20 funds will be distributed.
