

New law authorizes the governing authority of a municipality having a population between 2,500 and 5,000 within a parish having a population between 200,000 and 250,000 based on the latest federal decennial census to enact an ordinance limiting the number of terms of office any elected official of the municipality may serve to two consecutive terms in the same office.

Provides for the ordinance to become effective only after the question of such term limitation has been submitted to and approved by a majority of the qualified electors of the municipality who voted on the proposition at a regularly scheduled primary or general election held in accordance with the La. Election Code.

Effective upon signature of the governor (June 19, 2014).
