AN ACT

To amend and reenact R.S. 17:24.4(H), 183.2(B)(1) and (C), 183.3(D)(1) and 2925(A), to enact R.S. 17:183.3(E) and (F), and to repeal R.S. 17:183.2(B)(2), relative to students with exceptionalities; to provide for a student's Individualized Education Program team to determine promotion to the next grade under certain circumstances as it relates to the student's achievement level on required state assessments; to provide for certain actions to be taken by the Individualized Education Program team under certain circumstances; to provide for participation by a student's Individualized Education Program team relative to requirements for Individual Graduation Plans and graduation; to provide relative to criteria for pursuing a career major curriculum; to provide for the issuance of a high school diploma; to provide for rules of the State Board of Elementary and Secondary Education; to require the state Department of Education to track the performance of students with exceptionalities and to develop and implement a monitoring and corrective action system for school systems with high rates of students with exceptionalities performing below expected levels; and to provide for related matters.
Be it enacted by the Legislature of Louisiana:

Section 1. R.S. 17:24.4(H), 183.2(B)(1) and (C), 183.3(D)(1) and 2925(A) are hereby amended and reenacted and R.S. 17:183.3(E) and (F) are hereby enacted to read as follows:

§24.4. Louisiana Competency-Based Education Program; statewide standards for required subjects; Louisiana Educational Assessment Program; parish or city school board comprehensive pupil progression plans; waivers

* * *

H.(1) The State Board of Elementary and Secondary Education may shall establish by rule adopted in accordance with the Administrative Procedure Act a procedure whereby the state superintendent of education may grant a waiver allowing a student's Individualized Education Program team shall determine promotion to the next grade level for any student with an exceptionality, as defined in R.S. 17:1942(B), except a student identified as gifted and talented and who has no other exceptionality, who fails to meet the required achievement level necessary for promotion to the next grade on a test administered to students pursuant to this Section or policies adopted by the state board upon the request of the local superintendent of the school system in which the student is enrolled in school, provided that the student meets certain criteria established by the board Individualized Education Program team relative to attendance, grades, and conduct performance on the student's Individualized Education Program goals and objectives. If an Individualized Education Program team determines that the student is not required to meet state or local established performance standards on any assessment for purposes of promotion, the team shall:

(a) Identify rigorous educational goals for the student.

(b) Include diagnostic information, appropriate monitoring and intervention, and other evaluation strategies.

(c) Include an intensive instructional program.

(d) Provide innovative methods to promote the student’s advancement including flexible scheduling, alternate learning environments, online instruction,
and other interventions that are proven to accelerate the learning process and have
been scientifically validated to improve learning and cognitive ability.

(e) Identify a course of study that promotes college or workforce readiness,
or both, career placement and advancement, and transition from high school to
postsecondary education or work placement.

(2)(a) An alternative pathway to promotion determination by a student's
Individualized Education Program team shall apply only if, in the school year
immediately prior to each grade level in which the student would otherwise be
required to demonstrate certain proficiency levels in order to advance to the next
grade level, the student has not otherwise met the state and local requirements for
promotion or has not otherwise met state-established benchmarks on the required
state assessments.

(b) The state Department of Education, to the extent possible, shall track the
performance of students with exceptionalities across school systems and, in
collaboration with the Special Education Advisory Panel, establish indicators to
identify school systems with disproportionately high rates of students with
exceptionalities performing below expected levels and declines in performance
across subgroups of students with exceptionalities. The department, to the extent
possible, shall develop and implement a monitoring and corrective action system to
address school systems identified as having high rates of students with
exceptionalities performing below expected levels.

§183.2. Career option description

B.(1)(a) If the student, for any two of the three most recent school years, or
for a student in high school, the two most recent administrations of any state-
established assessments required for graduation, has not otherwise met state-
established benchmarks on required state assessments, the student's Individualized
Education Program team shall have the option of determining an alternative pathway
to graduation for the student.
(b) If an Individualized Education Program team determines that state-established benchmarks on the required state assessments are no longer a condition for promotion or graduation for a student, the team shall:

(i) Within thirty days of the student entering the course or grade level, establish minimum performance requirements in the student's Individualized Education Plan relevant to promotion or graduation requirements, including but not limited to end-of-course assessments, and shall be incorporated for awarding course credits. The state board shall make available a list of multiple appropriate assessments and guidance for use in establishing minimum score requirements on the assessments that an Individualized Education Program team may, but shall not be required to, use for this purpose. The Individualized Education Program team shall consider establishing minimum performance requirements for annual academic and functional goals designed to meet the student's needs that result from the student's disability and that will enable the student to be involved in and make progress in the general education curriculum, and to meet other educational needs of the student that result from the student's disability, including the student's postsecondary goals related to training, education, employment, and, where appropriate, independent living skills.

(ii) Provide the student and his parent or legal guardian with information related to how requirements that vary from standard expectations may impact future educational and career options.

(c) Students with exceptionalities shall be afforded the same opportunities to pursue a high school diploma and to exit with all course credits, honors, and financial awards as other students. A student with an exceptionality is not guaranteed a diploma and shall meet either the standard requirements or those established by his Individualized Education Program team to be awarded a diploma as provided in R.S. 17:183.3(E).

C. Throughout high school, each student shall pursue the rigorous curriculum required for his chosen major by his school as approved by the State Board of Elementary and Secondary Education or, for a student with an
exceptionality as defined in R.S. 17:1942(B), except a student identified as gifted or
talented and who has no other exceptionality, who meets the eligibility criteria as
provided in Subparagraph (B)(1)(a) of this Section, as determined by the student's
Individualized Education Program team, if applicable.

§183.3. Career major; description; curriculum and graduation requirements

B.

D.(1) A student who seeks to pursue a career major curriculum must shall meet one of the following conditions:

(1) The student has fulfilled all of the requirements established by the
State Board of Elementary and Secondary Education and the city, parish, or other
local public school board where the student is enrolled or the Individualized
Education Program team, if applicable, for promotion to the ninth grade.

E.(1) A student with an exceptionality, as defined in R.S. 17:1942(B), except
a gifted or talented student, who meets the eligibility criteria as provided in R.S.
17:183.2(B)(1)(a) and who successfully completes the requirements of his
Individualized Education Program, including performance on any assessment
required for graduation determined appropriate by his Individualized Education
Program team, shall be issued a high school diploma. The student's Individualized
Education Program team shall determine if the student is required to meet state or
local established performance standards on any assessment for purposes of
graduation.

(2) If a student's Individualized Education Program team determines that the
student is not required to meet state or local performance standards on any
assessment for purposes of graduation, the student shall be required to successfully
complete Individualized Education Program goals and requirements and shall meet
at least one of the following conditions, consistent with the Individualized Education Program:

(a) Employment in integrated, inclusive work environments, based on the student's abilities and local employment opportunities, in addition to sufficient self-help skills to enable the student to maintain employment without direct and continuous educational support from the school district.

(b) Demonstrate mastery of specific employability skills and self-help skills that indicate that he does not require direct and continuous educational support from the school district.

(c) Access to services that are not within the legal responsibility of public education or employment or education options for which the student has been prepared by the academic program.

(3) A diploma issued to a student with an exceptionality based on achieving his Individualized Education Program goals and objectives shall count equally and be assigned the same number of points in the school performance score calculation for high schools as are assigned for a diploma issued to any other student.

F. High school promotion determinations for a student with an exceptionality as defined in R.S. 17:1942(B), except a student identified as gifted or talented and who has no other exceptionality, who meets the eligibility criteria as provided in R.S. 17:183.2(B)(1)(a) shall be made by the student's Individualized Education Program team.

§2925. Individual graduation plans

A.(1) In accordance with the provisions of R.S. 17:183.2, by the end of the eighth grade, every student, with the assistance of his parent or other legal guardian, custodian and school guidance personnel, counselor, and for a student with an exceptionality as defined in R.S. 17:1942(B), except a student identified as gifted or talented and who has no other exceptionality, the student's Individualized Education Program team, if applicable, shall begin to develop an individual graduation plan to guide the next academic year's
course work and to assist them the student in exploring educational and career possibilities and in making appropriate secondary and postsecondary decisions as part of an overall career postsecondary plan. The plan shall be based on the student’s talents and interests and shall consider high school graduation requirements relevant to the student’s chosen major and postsecondary entrance requirements.

(2) By the end of the eighth grade, each student’s Individual Graduation Plan, or the student’s Individualized Education Plan, if applicable, shall list the required core courses to be taken through the tenth grade and shall identify the courses to be taken in the first year of high school. Students who fail to meet the standard for promotion to the ninth grade, pursuant to policies adopted by the State Board of Elementary and Secondary Education, shall have any necessary remedial courses included in their Individual Graduation Plan. The plan shall be reviewed annually and updated as necessary to identify the courses to be taken each year until all required core courses are completed.

(3) By the end of the tenth grade, each student’s Individual Graduation Plan, based on the student’s academic record, talents and interests, shall outline high school graduation requirements relevant to the student’s chosen postsecondary goals. Each student, with the assistance of his parent or other legal guardian custodian and school guidance personnel, counselor shall be allowed to choose the high school curriculum framework and related graduation requirements that best meet his postsecondary goals. Each student’s individual graduation plan Individual Graduation Plan, or the student’s Individualized Education Plan, if applicable, shall include the recommended sequence of courses for successful completion of his chosen major a standard diploma that aligns with postsecondary education, training, and the workforce and shall be reviewed annually and updated or revised as needed.
