**Abstract:** Authorizes certain public postsecondary education management boards to adjust tuition and fees charged to students for graduate, professional, and other postbaccalaureate programs.

Proposed law authorizes the LSU Bd. of Supervisors, the Southern Bd. of Supervisors, and the University of La. System Bd. of Supervisors to adjust tuition, fees, and fee amounts for graduate, professional, and other postbaccalaureate programs at institutions under their

respective management and supervision. Further authorizes the boards to impose proportional amounts for part-time students and summer sessions. Provides relative to waivers of tuition and fees authorized by proposed law in cases of financial hardship or extraordinary merit. Provides that the total of all tuition and fee amounts charged shall not exceed the tuition and fee amounts per full time equivalent student, as reported by the National Center for Education Statistics (NCES), of national peers selected by the institution, which maximum amount may be annually adjusted based on the most recent tuition and fee amounts per full time equivalent student as reported by the NCES and adjusted to the current fiscal year using the Higher Education Price Index.

Present law (R.S. 17:3139, et seq. - the GRAD Act), authorizes specific tuition and fee increases at public postsecondary education institutions contingent on those institutions meeting performance goals established by agreement with the Board of Regents.
