- (2) From the definition of "hotel", for purposes of the sales tax on services, nonprofit camp and retreat facilities, and facilities devoted exclusively to the temporary housing of homeless transient persons who are charged no more than \$20 per day.

- (3) From the definition of "lease or rental":

Oilfield drilling equipment to be re-leased or re-rented.

Property used by a private contractor in the performance of a contract for the U.S. Navy.

Airplanes or airplane equipment used by a commuter airline domiciled in La.

Materials and equipment used for instruction by a private elementary or secondary school.

Manufacturing machinery and equipment used for purposes related to production of biodiesel.

Pallets used by a manufacturer for packaging.

(4) From the definition of "person", private colleges and universities.

(5) From the definition of "retail sale":

Natural gas used in certain iron production methods.

Electricity for chlor-alkali manufacturing.

A new school bus or a school bus that is less than 5 years old purchased by an independent operator, to be used to service a public school.

Airplanes and airplane equipment for a commuter airline domiciled in La.

La. manufactured or assembled passenger aircraft to be delivered outside of La.

Pollution control equipment.

Pelletized paper waste used as fuel for power generation.

Property sold by a private elementary or secondary school, the proceeds of which support the school.

Manufacturing machinery and equipment used for purposes related to production of biodiesel.

Telephone directories used for advertising.

Natural gas to be held, used or consumed in providing natural gas storage ("cushion" or "pad" gas).

Used books and course-related software purchased by online private colleges and universities, which materials are provided to students free of charge.

Food bought by a private elementary or secondary school for a breakfast or lunch program.

Storm shutter devices.

Property sold at a military installation.

Anthropogenic carbon dioxide used in a qualified tertiary recovery project (mineral exploration and production).

Property sold at an event for La. culture, crafts, food, art, and music, with a five year annual attendance in excess of 300,000 (New Orleans Jazz Festival).

(6) From the definition of "sales price":

That portion of the value of refinery gas sold to another person by the person who owns the gas generation facility, whether at retail or wholesale, that is in excess of 52 cents per thousand cubic feet multiplied by a fraction the numerator of which shall be the posted price for a barrel of West Texas Intermediate Crude Oil on December first of the preceding calendar year and the denominator of which shall be \$29.

Payments made by a manufacturer directly to a dealer of the manufacturer's product for the purpose of reducing the retail "sales price" of the product.

Manufacturing machinery and equipment, for the following sectors: manufacturing, agriculture, forestry, fishing, hunting, power generation, recyclable material sales, news publications, radio broadcasting, and specific farm equipment.

Speciality items sold to members of a nonprofit carnival organizations for fund-raising purposes if the members are participating in a parade sponsored by the organization.

Electric power and natural gas purchased or used by paper or wood products manufacturing facilities.

(7) From the definition of "sales of services":

Admissions to and membership fees or dues for nonprofit civic organizations, including by way of illustration and not of limitation the YMCA, YWCA, and Catholic Youth Organizations.

Admissions to museums.

Admissions to nonprofit camp or retreat facilities.

Repairs performed in La. when property is to be exported.
