Proposed law authorizes the governing authority of East Baton Rouge Parish to impose and collect a parcel fee within the district. Provides that the amount of the fee shall be as requested by the board. Further provides that the fee shall be a flat fee per improved parcel not less than \$100 per parcel per year for lots zoned for residential. Requires that the fee be imposed on each improved parcel located within the district.

Proposed law defines a parcel as a lot, a subdivided portion of ground, or an individual tract. Provides that a parcel does not mean a condominium parcel as defined in present law (R.S. 9:1121.103). Provides that with respect to condominiums, the fee collector shall impose the parcel fee on each lot on which condominiums are situated and not on individual condominium units.

Proposed law provides that the fee shall be imposed only after the question of its imposition has been approved by a majority of the registered voters of the district voting on the proposition at an election held for that purpose. Provides that no other election shall be required except as provided by proposed law.

Proposed law requires the board of commissioners, at least 30 days prior to any election held to approve imposition of a parcel fee, to mail notification of the upcoming election to each registered voter of the district, and the owner of a parcel if the owner is not a registered voter of the district.

Proposed law requires the initial election on the question of the imposition to be held at the same time as a regularly scheduled election in East Baton Rouge Parish. Provides that the fee shall expire 10 years from its initial levy. Authorizes renewal of such fee.

Proposed law requires that the fee be collected at the same time and in the same manner as ad valorem taxes are collected in the parish. Provides that any fee shall be added to the tax rolls of the parish and shall be enforced with the same authority and subject to the same penalties and procedures as ad valorem taxes.

Proposed law requires the sheriff to collect and remit to the district all amounts collected not more than 60 days after collection. Authorizes the board to enter into an agreement with the sheriff to authorize the sheriff to retain a collection fee.

Proposed law provides that it is the purpose and intent of proposed law that the additional law enforcement personnel and services provided by the district shall be supplemental to and not in lieu of personnel and services provided in the district by the city of Baton Rouge and East Baton Rouge Parish. Further provides that if the district ceases to exist, any funds of the district shall be transmitted to the governing authority of the city of Baton Rouge and parish of East Baton Rouge and shall be used for law enforcement purposes in the area included within the district.

Effective upon signature of governor or lapse of time for gubernatorial action.
